Playing With Matches Misadventures In Dating:

Playing With Matches Amy Cameron, 2010-08-20 Part Sex the City part Bridget Jones s Diary Playing with Matches will make you laugh cry and thank the dating goddess that at least it didn t happen to you Playing with Matches is the answer to every single woman s wail of Why does this happen to me Honey it happens to everyone Women from all over the world have contributed to Playing with Matches answering the call for tragic dating tales in all their nasty and delicious detail And as a survivor of countless terrible evenings Cameron is an expert She s dated an overweight manic eater who picked fights and an anaesthesiologist twenty years her senior who really did put her to sleep Each new bad date made her swear off men forever Until of course another hopeful possibility presented himself Bad dates happen Every night another woman returns home reeling from a missed match But each evening spent with Mr Wrong teaches us something about our own love limits Can I cuddle with a man who blows his nose in a cloth napkin Do I like to spank my lover Do I have something in common with the director of a funeral home Does a pierced nipple bother me How about a pierced scrotum We need to embrace our misadventures share the pain and find the humour Playing with Matches will remind us all that no matter how awful a date was there is always someone else with a worse story Four of us the single women at the baby shower are hunched in a corner drinking bloody Marys and ignoring a chorus of cooing over a Winnie the Pooh breastfeeding pillow All night long he talked to me through the bloody cat Julie complains Does Mummy like to snuggle Isn t Mummy funny I snort my drink all over her winter white skirt She brushes it off without thinking and continues I bought leather knee high boots for this guy Everyone knows the recipe for an ideal date one nice guy plus great hair day a cup of good lighting remove five pounds a sprinkle of new perfume and a liberal splash of Stolichka vodka That someone actually manages to cook up a date like this is rare Playing with Matches is for women who let s face it have much more experience with recipes of disaster than recipes for romance We know that there are more bad dates out there than good ones Intellectually we also know that these misadventures build character As Mom says what doesn t kill you makes you stronger right from Playing with Matches

My Wedding Dress

Susan Whelehan, Anne Laurel Carter, 2007-01-02 In the tradition of beloved anthologies of women s essay writing this collection offers twenty six true stories from well known writers and fresh new literary voices writing about a touchstone garment in a women s lives the wedding dress These are intimate stories about relationships not just those between men and women but between women and their mothers friends and children And of course with their wedding attire a relationship that is sometimes simple sometimes complex but always fascinating in what it tells us about individual lives and aspirations Some of the tales are humorous the bride whose skin turns fuchsia on her wedding night or the woman whose shopping savvy aunt takes her to New York s garment district Some are romantic the woman who puts on her dress eight years after her wedding only to be caught by her husband when he comes home early from work or the quickie immigration wedding that turned into the real thing Some are devastating the bride who loses her mother to illness only days before her wedding

or the woman whose mother tells of being kidnapped by her future husband And some are revealing the woman who wears her first wedding dress for her initiation ceremony into a convent and her second to marry her beloved the dress that waited patiently in a shop window and then hidden in a box on a closet shelf the same sex wedding at age eighty the thrift shop wedding dress that gets used for everything but a wedding All are honest personal and profoundly moving Something Old looks at how traditions like honouring one s ancestors affected wedding dress choices from a grandmother s gift to a father s old leather jacket but also at how such traditions can play a role in ways you least expect The pieces in Something New focus on dreams for the future whether that means breaking away from the expectations of one s family or choosing creating a wedding dress and a future on your own In Something Borrowed writers tell of all the reasons behind borrowing or trying to borrow dresses for whatever reason and Something Blue Or Peach Or Striped Or Floral looks at exactly that the non traditional choices women have made and why These stories run the gamut of experiences connected to the iconic dress and day If we work away at the seams even the simplest of wedding outfits reveals all manner of memories and meanings And whether you ve ever worn a wedding dress or not the stories in this collection will have you looking with new eyes on your own life and exploring what the words wedding dress mean to you Contributors Joanne Arnott Anita Rau Badami Adwoa Badoe Amy Cameron Stevie Cameron Sandra Campbell Anne Laurel Carter Lorna Crozier Rebecca Cunningham Laurie Elmquist Alisa Gordaneer Jessica Ruth Harris Kathleen Boyle Hatcher Rosemary Hood Michele Landsberg Mary T Malone Jenny Manzer Ami McKay Jane Munro Margaret Goudie Parsons Gianna Patriarca Elyse Pomeranz Edeet Ravel Kerri Sakamoto Ilana Stanger Ross Darla Tenold Susan Whelehan Jamie Zeppa **The Shallow End of the Dating Pool** Stacey Shope, Michele Underhill, Rebecca Hamilton, 2023-07-13 About the Book The Shallow End of the Dating Pool compiled many dating stories meant to amuse entertain and show the lighter side of dating as a middle aged woman in the 21st century These adventures are based on true stories shared by friends of over 30 years They are a group of divorced women chasing the fantasy of finding a soulmate Instead they find that having close friends to share a cold drink and lots of laughter with is more realistic and much better for the soul This book is based on true stories with names changed to protect anonymity About the Author After earning a bachelor s degree in criminal justice administration Stacey Shope spent six years working in the trenches with troubled youth in a community based treatment program that addressed the whole family She then moved to the county juvenile probation office where she helped develop one of the first juvenile drug treatment courts in the state During her 17 years there she earned a master s degree in administration of justice Currently she is a drug and alcohol counselor in a methadone clinic where the clientele consists of individuals struggling with opiate addiction primarily heroin Throughout her professional career she has realized that humor acts as a pathway to connect with others Shope s daughter Madison continues to invest in her community by working with struggling adolescent females in a treatment facility Her style and humor help her navigate concerns and help her clients progress Michele Underhill welcomed Shope as a new student

when she entered her school as an 11th grader. Unknowingly they became friends for life. After working jobs that were unfulfilling she became a non traditional student as she earned her nursing degree later in life. She often wears her heart on her sleeve in hopes she will find her happily ever after. Her naivety and small town upbringing lead to comical stories that always result in gut splitting laughter. Shope's longtime friend and college roommate Rebecca Hamilton has shared similar experiences as a teacher in the public school system. Her stories of teaching in a rural farming community where everyone's known by their cattle are second to none. And if that wasn't enough raising four children two older sons Kyle and Jonathan and two teenage daughters Pam and Lilly will have you laughing to keep from crying with daily amusements such as packing two different sneakers at a cross country meet and other world crashing incidents. As divorced women we bond encourage and comfort each other like all women should. **Quill & Quire**, 2005 **The Complete Idiot's Guide to Dating for**
