Who Says I'm Small J. B. Tischendorf,2005-05-10 Did you know that there is a 95% chance that you could have your Playstation 2 problem solved today Most Playstation 2 problems are easy to fix if you know how and that is exactly what the Powerful Playstation 2 Repair Guide will do for you The Playstation 2 has a series of very common problems that are faced by thousands all over the world Repair costs can range anywhere from 60 120 and it can take weeks to get your console back from a repair shop The Powerful Playstation 2 Repair Guide will walk you through the repair process step by step Many of the most common problems can be resolved by anyone using this book and common tools Even better these repairs can be done within a range of a few minutes to a few hours Either way you will be back to playing your PS2 games again in no time Some of the common problems covered are console is completely dead disc read errors blue bottom disc don t work cd tray won t open or you hear grinding noises Each problem is covered in detail and there are tons of pictures to go with it It s just like having a trained technician looking over your shoulder If your problem cannot be resolved without the aid of a repair shop the Powerful Playstation 2 Repair Guide will walk you through your options at that point You may be surprised at what they are For complete details or to purchase the digital version please see www.powerfulguides.com/ps2

A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris,2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world s most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units

internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U. Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed. In addition to its beefier hardware Sony has added a variety of new and innovative features including the DualShock 4 controller, the PlayStation Camera and the PlayStation Move controller. Additionally with the new system players can connect their smart phones, tablets, PS Vita or PS TV to act as second screen interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access. Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera. With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4 this is now possible with just a couple of button presses using the new Share button on the DualShock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video, the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console. Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos, the PS4's web browser is as easy and intuitive as the web browser on your computer and it's automatically compatible with the web's most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend, the Sony PlayStation 4. Please note this book is neither written or endorsed by Sony and should be considered unofficial.

Sony Playstation 2 Hank Schlesinger, 2001-02-12. This guide not endorsed by Sony contains cheats, hints, codes and secrets to beating the latest Playstation 2 video game as well as advice on how to win at the classic Playstation games. It's written in simple, player friendly language.
