

A cartoon illustration of a young girl and a young boy. The girl on the left has dark hair with a white headband and is wearing a red shirt with a white collar. The boy on the right has dark hair and is wearing a light blue shirt with a dark tie. They are both smiling. The word 'POEM' is written in white capital letters on a yellow brushstroke background above the boy's head.

contemporary American literature and for those of us eager to know how these two distant neighbors networked negotiated and remained friends San Francisco Chronicle In Distant Neighbors both Berry and Snyder come across as honest and open hearted explorers There is an overall sense that they possess a deep and questing wisdom hard earned through land work travel writing and spiritual exploration There is no rushing no hectoring and no grand gestures between these two just an ever deepening inquiry into what makes a good life and how to live it even in the depths of the machine age Orion Magazine In 1969 Gary Snyder returned from a long residence in Japan to northern California to a homestead in the Sierra foothills where he intended to build a house and settle on the land with his wife and young sons He had just published his first book of essays Earth House Hold A few years before after a long absence Wendell Berry left New York City to return to land near his grandfather s farm in Port Royal Kentucky where he built a small studio and lived there with his wife as they restored an old house on their newly acquired homestead In 1969 Berry had just published Long Legged House These two founding members of the counterculture and of the new environmental movement had yet to meet but they knew each other s work and soon they began a correspondence Neither man could have imagined the impact their work would have on American political and literary culture nor could they have appreciated the impact they would have on one another Snyder had thrown over all vestiges of Christianity in favor of becoming a devoted Buddhist and Zen practitioner and had lived in Japan for a prolonged period to develop this practice Berry s discomfort with the Christianity of his native land caused him to become something of a renegade Christian troubled by the church and organized religion but grounded in its vocabulary and its narrative Religion and spirituality seemed like a natural topic for the two men to discuss and discuss they did They exchanged more than 240 letters from 1973 to 2013 remarkable letters of insight and argument The two bring out the best in each other as they grapple with issues of faith and reason discuss ideas of home and family worry over the disintegration of community and commonwealth and share the details of the lives they ve chosen to live with their wives and children Contemporary American culture is the landscape they reside on Environmentalism sustainability global politics and American involvement literature poetry and progressive ideals these two public intellectuals address issues as broad as are found in any exchange in literature No one can be unaffected by the complexity of their relationship the subtlety of their arguments and the grace of their friendship This is a book for the ages *The Far East* ,1920
