Evil...Overcoming Degradation Through the Love and Brilliance of God: Book Two: Seeking to Duplicate the Heart, Courage and Genius of the Lord Jesus Christ Jerry Davis,2012-08-10 Book One may appear to be a little scary to read because it takes you into evil and the destruction of lives Far too many people wont begin to take a look What mankind doesnt recognize from afar is that he has been in agreement with many of the lies being perpetuated through the deceitfulness of evil and his lack a awareness He

managed to get himself in and now he must fully participate in getting himself out The good news is Book Two is providing the help necessary to bring you out Its giving you the map and the access to understanding that which will help to set yourself free You will find you cannot do all of it alone The life of Jesus Christ is being utilized in Book Two as our ultimate leader teacher and guide You will want to understand the heart courage and genius which was developed Him from living His life in faith The attributes of Jesus can and should be studied and duplicated His teachings are aptly quoted to illustrate various results of life and provide oppositions of thought to counter the mechanics of evil being levied against us through the minds of the self Jesus gave us His teachings examples and demonstrations over two thousand years ago Mankind has made progress since then in maintaining his sanity and integrity but our progress has not proven to me to be enough Look closely at people and their problems and you will see that far too many people are living with way too much pain and fear And we all hear stories of good religious people who experience a fall as they become subject to sinning Yes we are all sinners but much of the sinning we do is because we do not greatly understand The mechanics of evil and the thousands of approaches Satan has to engage a man are often overwhelming I look at our world today and can see the many compulsions at work in the minds of men in mass and Im genuinely concerned Man doesnt begin to understand the size complexity and scope of all that he is up against in our world as it is Weve all heard of Satan and most of us will acknowledge he is there to damage our life but generally thats as far as our knowledge of him goes It is our ignorance of him that make us most vulnerable When we dont recognize the decisions we make are in league with supporting his working mechanics in pain then we dont have much of a chance We need to become enlightened in order to be protective of our souls which is the basis and design of book number three Book Two has two agendas which I continue to present throughout I continue to show the reader the ongoing dilemmas he has to contend with through the cunning and deceit of evil in full cooperation with the six major steps of the longest and greatest lie ever told Various aspects of the lie are a part of each one of us and the lies will literally have to be removed This will take a lot of time and hard work While you will be steadily at work getting to the truth I will continue to show the you the things you will need to actively involve yourself in in order to bring yourself out There are no easy solutions and there is little gain to be made without the accommodation of some pain But the pain will be tolerable and the end will remain as a blessing in your sights You have the Trinity of God working within you through your deep and deliberate breathing You have scriptures of truth to be studied at your disposal and you will have the blessings of your memorized prayer You have the love faith and forgiveness of God working within your essence of being You will be learning to let go and trust in God The more you learn to love them as the Trinity the more you will grow in faith And as Jesus told us It is from faith God will make us well God's Book Mary Noggle,2003-11-20 This book is not about religion It is not about dogma or church or sermons It is not about being Catholic Lutheran or Presbyterian It is not a self help book to help you find out about your faith life It does not preach about who God should be or how you can find Him It is a simple story of one person s

journey and how she discovered that she and God truly did fit together It is a story that I wanted to share because I think that there are many people who are not sure if God really exists but they really want to believe that He does They re not sure how to make Him real I hope and pray that by sharing my story with you something might touch you in such a way that you will no longer doubt that God really is alive and doing very well **Joy Within His House** Sister Mary Magdalene of the Immaculate Conception Prewitt, OP,2025-08-29 You may like most people have misconceptions about monastic life especially the cloister what nuns do all day what they are like why they choose this life and what they have given up Perhaps you are not even aware that thousands of women dedicated to praying for you are scattered throughout the world hidden in many different cloisters Joy Within His House offers those who live on the outside of the cloister a glimpse into the experience of those who live within Dominican Sister Mary Magdalene of the Immaculate Conception Prewitt shares the joy she finds in living the life of a cloistered nun and following Christ Several dozen captivating photographs from inside the cloister many by award winning photographer Jeffrey Bruno help illustrate the prayer study work and recreation that order the nuns days A life of contemplation is not something esoteric secretive or hidden rather it is a mystery Despite facing some different day to day realities you might just find one or more facets of that mystery that will enrich your own life This book demonstrates that laypeople can also take the principles of Dominican spirituality and monastic life and use them as tools to help them grow in holiness **Good Vs. Evil . . . Overcoming Degradation Through the Love and Brilliance of God Book One** Jerry Davis,2010-12 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us We ve all been programmed to unknowingly believe in a host of lies and it s our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Who s controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life **The Love of God, a Treatise** Saint Francis (de Sales),1962 *Holy People, Holy Land* Michael Dauphinais,Matthew Levering,2005-10 Offers an integrated theological vision of the Old

and New Testaments that highlights the pattern of God s work through scripture
