career as a plumber you've come to the right book. So what exactly do these people do on the job day in and day out? What kind of skills and educational background do you need to succeed in these fields? How much can you expect to make and what are the pros and cons of these various fields? Is this even the right career path for you? How do you avoid burnout and deal with stress? This book can help you answer these questions and more. **Plumbers: A Practical Career Guide** includes interviews with professionals in a field that has proven to be a stable, lucrative and growing profession. **SUCCESS IS THE BEST REVENGE** Annamary Kennell, 2012-09-12. It has been almost 20 years since the nightmare ended. I have made several attempts to put my story on paper but as I began reading the depositions etc. the hurt, anger, betrayal, darkness and depression all came back. I was reliving everything again. I could hear their voices, their selective memories and sometimes right out lies. Why do this? I finally realized that had I had access to a similar story of the hell I went through it would have strengthened me and made the ordeal less lonely and reaffirm that one could succeed and survive. If my story offers comfort or hope to one person who is or has gone through hard times or help someone understand a person who has then it will all have been worth it.
