What is the PMP?

Career opportunity knocks as the need for project talent continues to grow. Research indicates that employers will need to fill nearly 2.2 million new project-oriented roles each year through 2027. This means skilled project managers will be in high demand.

Wherever you are in your career, the globally recognized Project Management Professional (PMP) certification tells employers, peers, and the world you know what you're doing in project management.

Even if "project manager" isn't part of your title, the PMP applies to
