International GAAP 2015 Ernst & Young LLP, 2015-02-11 IFRSs the standards set by the International Accounting Standards Board IASB are complex and sometimes obscure Understanding their implications and applying them appropriately requires something special and that is why International GAAP 2015 is the essential tool for anyone applying auditing interpreting regulating studying and teaching international financial reporting It provides expert interpretation and practical guidance for busy professionals and includes in every chapter detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively The International Financial Reporting Group of Ernst Young includes financial reporting specialists from throughout the world Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue International GAAP 2015 is the only globally focused work on IFRSs It is not constrained by any individual country's legislation or financial reporting regulations and it ensures an international consistency of approach unavailable elsewhere It shows how difficult practical issues should be approached in the complex global world of international financial reporting where IFRSs have become the accepted financial reporting system in more than 100 countries This integrated approach provides a unique level of authoritative material for anyone involved in preparing interpreting or auditing company accounts for regulators academic researchers and for all students of accountancy All aspects of the detailed requirements of IFRS are dealt with on a topic by topic basis Each chapter of International GAAP 2015 deals with a key area of IFRS and has a common structure for ease of use An introduction to the background issues An explanation of relevant principles A clear exposition of the requirements of IFRS A discussion of the implications in practice and possible alternative solutions available Worked examples Extracts from real company accounts A full listing of the required disclosures

Resistance to Changes in Financial Reporting Standards

Edel Lemus, 2016-08-17 This book investigates current resistance to the ongoing change from US Generally Accepted Accounting Principles GAAP to International Financial Reporting Standards IFRS 138 countries have thus far adopted IFRS as a singular accounting language while the Securities and Exchange Commission SEC the Financial Accounting Standard Board FASB and the International Accounting Standard Board IASB have determined that IFRS should be adopted optionally in the United States by 2016 The book shows that IFRS should act as a singular accounting language which will promote high transparency and a better economic position in the world financial market

New Trends in Process Control and Production Management

Lenka Štofová, Petra Szaryszová, 2017-09-27 Dynamic economics technological changes increasing pressure from competition and customers to improve manufacturing and services are some of the major challenges to enterprises these days New ways of improving organizational activities and management processes have to be created in order to allow enterprises to manage the seemingly intensifying competitive markets successfully Enterprises apply business optimizing solutions to meet new challenges and conditions But also ensuring effective development for long

term competitiveness in a global environment This is necessary for the application of qualitative changes in the industrial policy New Trends in Process Control and Production Management MTS 2017 is the collection of research papers from authors from seven countries around the world They present case studies and empirical research which illustrates the progressive trends in business process management and the drive to achieve enterprise development and sustainability

New Models of Financing and Financial Reporting for European SMEs Eva Kaili,Dimitrios Psarrakis,Raz van Hoinaru,2019-02-28 This book looks at the 23 million registered Small and Medium Enterprises SMEs that make up 98 per cent of the EU economy Addressing the high end of SMEs in terms of new models for SME funding and financial reporting this merged way of looking at SMEs reveals a myopic thinking in terms of net present value and future cash flows generating short termism and low risk appetite for business This is not an accounting issue but rather a preference toward certain financial tools A segment of SMEs the ones that seek new ways of funding possibilities as well as modern technologies MTFs listing blockchain ICOs etc do require even without knowing IFRS for SMEs This book reveals how market conditions impact the financial performance and sustainability of SMEs and also generate innovative policy interventions and financing strategies for SME integrity and efficiency The authors frame their arguments in the context of the Capital Markets Union looking at the Innovation Triangle SME growth ecosystem and business models They conclude by advocating for closing the circle of financing and financial reporting for SMEs while considering if new financial models of financing and financial reporting are good for all the SMEs or only for some The economy is being shaped by new models of financing and financial reporting Read this practitioners view to understand the current changes and challenges **Pioneers of Critical**

Accounting Jim Haslam,Prem Sikka,2016-08-29 This book celebrates the life and work of Tony Lowe a pioneer of critical accounting The authors elaborate on the fact that Tony Lowe regarded accounting as a moral and political practice rather than some dry technical phenomena because it has serious social consequences The essays in the book are written by a global community of Tony s former colleagues and students and show the value of adopting interdisciplinary perspectives The essays locate accounting and business practices in wider social economic and political contexts to show that Tony s ideas had far reaching applications for regulation corporation governance accounting auditing the environment corporate social responsibility organisational accountability gender race globalization and the functioning of the state The book is suitable for undergraduate and postgraduate students scholars and practitioners seeking to free themselves from the shackles of conventional views about accounting and business practices **China's New Economic Frontier** Joseph E. Pocket Guide Ifrs 2015: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Pocket Guide Ifrs 2015 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Pocket Guide Ifrs 2015 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
