

Overcoming Obstacles

Courage sometimes is the quietest voice
That roars loudest from within,
Making faith a distinctive choice
And compelling motivation to try again.

When obstacles invariably come your way,
Into every direction that you have turned,
A thousand misery comes in a friendlier display
To take away the strength that you have gained.

Faith stands strong like a colossal wall of courage,
Ready to do the things that you could not do.
Bold in confidence with a conquering message,
Making difficult boundaries appeared new.

You can go on overcoming obstacles,
Which at first looked almost impossible,
Success is not worth having if there are no mistakes,
There is an ability that lies beyond the solar pole.

Poem About Overcoming Obstacles:

52 Poems about Spiritual Principles Stanley Scott Jr ,2024-05-30 Welcome to 52 Poems Practicing 52 Spiritual Principles This collection of poetry is a journey through the heart and soul exploring the power of spiritual practices Each poem is a reflection on a specific spiritual principle inviting you on a journey of self discovery and growth The idea for this book came from a desire to go deeper into the wisdom of spiritual principles and to share what I learned along the way Over the course of a year I committed to writing one poem each week focusing on a different spiritual principle The result is a fabric of verses that together highlight the beauty and significance of these timeless teachings The principles explored in this book are universal going beyond religious boundaries and speaking to the goodness within us all From surrender and honesty to compassion and gratitude each poem offers a detailed perspective on how these principles can be applied in our daily lives As you read through these pages I invite you to approach each poem with an open heart and mind Allow the words to resonate with your own experiences and aspirations Take time to reflect on the messages received and consider how you can apply these principles into your own spiritual life The structure of this book is designed to encourage a weekly exploration of each principle You may choose to read one poem per week using it as a focal point for meditation journaling or discussion with others Alternatively you may prefer to read the poems in sequence allowing the build up of wisdom to wash over you It is my deepest hope that these poems will serve as a source of inspiration comfort and guidance on your spiritual path May they remind you of the incredible potential within you and the power of living in alignment with these timeless principles As you embark on this poetic journey remember that the true essence of spirituality is not in the words themselves but in the way they come alive within you May these poems be a springboard for your own spiritual awakening guiding you towards a life of purpose peace and profound connection with God society and self
