Investigative visit with Ryan and Evan Muelter at the mo's house. Ryan was very engaging, articulate, and quite verbose. After establishing rapport, Ryan stated that he lives with his mo. and has visits with the fa. He stated that he visits on Wednesdays and every other weekend, but stated that he wished could be more frequently. He states that they have fun at the fa's house. He states that the fa. sometimes plays with them. He stated that the fa. and the discipline them by sending them to their rooms. Ryan stated that he feels much better about visiting his fa. as he does not work as much.

Ryan stated that the parents don't interact well. They get mad at each other and yell, but denies any physical altercations. Ryan states that the fa. picks them up for visits at the mo's. Ryan states that he sleeps on bunkbeds with Damon. He states that he sleeps on the top bed at the mo's and sleeps on the bottom bed at the fa's. Ryan denies any inappropriate touching by anyone.

We discussed this last weekend's visit. He stated that he was in the bedroom sleep when he heard the fa. walk in and stand on the edge of his bed. He stated that he could see his feet. He states that he was awake for a few seconds and fell back asleep. He thought that the fa. was putting the covers on Damon. He did not know the time or how long the fa. was there. He claims he could not hear anything. He states that that this is the first time the fa. walks into their room in the middle of the night. He has not talked to Damon about it. Ryan stated that he talked to his mo. about it. He states that he takes baths with Damon or by himself. He denies the fa. or mo. bathing him. Ryan states that he is only allowed to watch "G" and "PG." Ryan denies any drug or alcohol usage. He states if anyone ever hurt him, he would talk to his mother.

I then met with Evan, who was a little more reserved but very mature for his age. He states that he enjoys his visits with his fa. He states that the fa. does not discipline him, as he never gets mad at them. He states that the mo. disciplines them by grounding them. He states that if the mo. grounds him, she will tell the fa. and he will follow through. He states that they are assigned chores at the mo's and the fa.

He states that the interaction of the parents is usually cool. He states that sometimes they do argue but he does not pay attention as he knows they'll get over it. Evan denies any drugs and alcohol by either parent. Evan further denies any
