Archives, Objects, Places and Landscapes Manyanga, Munyaradzi, Chirikure, Shadreck, 2017-04-11 Dissatisfaction has matured in Africa and elsewhere around the fact that often the dominant frameworks for interpreting the continent s past are not rooted on the continent s value system and philosophy This creates knowledge that does not make sense especially to local communities The big question therefore is can Africans develop theories that can contribute towards the interpretation of the African past using their own experiences Framed within a concept revision substrate the collection of papers in this thought provoking volume argues for concept revision as a step

towards decolonizing knowledge in the post colony The various papers powerfully expose that cleansed knowledge is not only locally relevant it is also locally accessible and globally understandable Privileged Places in South Central Mozambique Solange Macamo,2006 **The Political Legacy of Colonialism in Zimbabwe** Everisto Benyera,2024-11-18 This book investigates the political legacy of colonialism in contemporary African institutions Using the case study of electoral and justice institutions in post colonial Zimbabwe the book explores how those in post colonial states relate to and with institutions initially designed to oppress them and remain structurally and systematically colonial The book argues that the colonial era colonised the land knowledge and minds of Africans resulting in injustice and epistemicides The book demonstrates how the critical institutions of elections and justice have been rendered anti black and toxic The book calls for Africa to invest in epistemic independence unencumbered by Western political modernity and then deploy that independence to build reconstituted institutions structures and systems that serve the interests of Africans This book will be an important read for African policymakers and researchers working on African politics governance and international relations Port Cities and Intruders Michael N. Kimambo,1976 **The Bible, the Bullet, and the Ballot** Fabulous Moyo,2017-03-31 The Bible the Bullet and the Ballot provides a balanced account of the role of Christians Christian organisations and churches in sociopolitical transformation over the bedrock of colonial and nationalist politics in the past century in Zimbabwe Fabulous Moyo explores the broader social and political impact of prominent African Christian clergy who were sociopolitical activists such as Ndabaningi Sithole Abel Muzorewa and Canaan Banana It also highlights the role of missionaries who contributed to the African struggle for independence such as Ralph Edward Dodge Donal Lamont and Garfield Todd He examines the contributions of African nationalist parties and prominent politicians with Christian roots such as Joshua Nkomo and Robert Mugabe in the struggle for independence and their contribution in the postcolonial era in light of their Christian heritage and the collective pre independence nationalist ideals on nation building and national unity *Great Zimbabwe* Shadreck Chirikure,2020-11-29 Conditioned by local ways of knowing and doing Great Zimbabwe develops a new interpretation of the famous World Heritage site of Great Zimbabwe It combines archaeological knowledge including recent material from the author s excavations with native concepts and philosophies Working from a large data set has made it possible for the first time to develop an archaeology of Great Zimbabwe that is informed by finds and observations from the entire site and wider landscape In so doing the book strongly contributes towards decolonising African and world archaeology Written in an accessible manner the book is aimed at undergraduate students graduate students and practicing archaeologists both in
