The New Domestic Automakers in the United States and Canada A.J. Jacobs, 2015-12-16 Over the past forty years state provincial and local governments in the United States and Canada have provided foreign automakers with approximately 4.80 billion in incentives in order to lure light vehicles assembly plants to their areas This has included tax abatements infrastructure construction land giveaways job training programs and other subsidies As of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed North America Despite the fact
