

Read. Supp. 4_Level1_Guessing Meaning From Context 2

What is a context?

- A context is the words that come just before or after a word or phrase. It helps you to understand its meaning.
- Context can be a sentence or paragraph or a text.
- It helps you make a general prediction about the meaning.

What is a context clue?

A context clue is a fact or an idea and it suggests the meaning of the unknown word.

- Sometimes you can guess the meaning from *the other words in the same sentence*.

Example: Some of the trees in the Redwood National Park are very **gargantuan**, and in fact they are the *tallest* trees in the world.

From the expression the tallest trees we can understand that gargantuan means very large, big or huge (something similar to this). Do not forget that you are just trying to guess the meaning, not a dictionary definition!

- Sometimes you need to read several sentences before and / or after the unknown word.

Example:

It rained heavily last night and the window was open during the storm. The papers on my desk were a **soggy** mess.

We picked up the **soggy** towels and put them all in the garden in the sun to dry.

In the first sentence the context "*It rained heavily last night and the window was open during the storm*" helped us. In the second sentence "put them all in the garden in the sun to dry" helped us to guess the meaning of soggy.

From this context we can guess that soggy means very wet.

Activity 1. Use context clues to guess the meaning of the bold words.

Gerald always comes home **promptly** on Tuesdays to watch his favourite TV show. He knows that when he is late, he will miss it.

The firefighters arrived **promptly** and they could stop the fire from spreading to other houses.

Promptly means _____

Exercise 1: Read the text below and try to guess what bold words (they do not exist and nonsensical in English) are and what type of words they are.

I'm Kate and I have a very ¹**dering** job. I'm a journalist for a local newspaper, so I'm often running around all day and night for big news. And I rarely have free time. That's why it's my favourite place because it is nice and ²**orgen**. It makes me feel comfortable. It's a small café in the middle of the city. It's on a side street between the theatre and museum. Of course, there are many tourists in that area, but they don't seem to know about this little place. It is lucky for me. I can go before work early in the morning or late in the afternoon and there's always a space for me. I usually have a coffee and a snack. The coffee is ³**interand**. It tastes really good, and the smell is wonderful. I love the ⁴**lati** of the building. The chairs, tables and even cups and plates are so beautiful. Every time I go, I see something else. It's true that there are coffee shops. They are a bit cheaper, but I don't ⁵**experse**. I just hope the tourists don't find it!

1. dering: _____

4. lati: _____

2. orgen: _____

5. expere: _____

3. interand: _____
