Management Control in Public-Private Partnerships Thomas S. Konrad,2018-06-27 Thomas S Konrad analyzes the management control design and reveals critical success factors of strategically oriented public private partnerships for development between international governmental actors and the private sector He builds a sound basis for the identification of a research gap and the derivation of research questions The results generate sufficient evidence to answer these questions and therefore to close the identified research gap Finally he excelled in the discussion of the results by making a contribution of theory and by providing substantive recommendations to practitioners equally well

Strategy, Power and CSR Santiago García-Álvarez,Connie Atristain-Suárez,2020-07-24 In today s global and complex environment traditional views towards organizational management are not enough for businesses to thrive It s only by bringing together different approaches can management styles develop fast enough to keep pace with the ever changing big picture
