The Intersectional Athlete Body on Reality TV Laura Langlade, 2025-02-24 The Intersectional Athlete Body on Reality TV examines the treatment of women non White and queer participants on MTV s The Challenge a physical competition lauded as America s fifth sport interrogating the treatment of the intersectional body within the reality TV landscape and the influence of professional sports culture Positing that participants success hinges more on identity than on skill and talent the author unpacks and cross examines the misogyny racism and homophobia ingrained in The Challenge culture and positions the analysis within the context of the hyperconservative politics of the Trump era Drawing on freak discourse and sports media the book positions The Challenge as a rich contextual site to explore the contention intersectional bodies that are subjected to spaces where differences increasingly matter critically evaluating how MTV navigated differing political views to maintain audience numbers while at the same time claiming to support Black Lives Matter BLM MeToo and LGBTQIA rights This in depth and intricate study will interest students and researchers working in Reality TV studies Gender studies and Race and Sexuality studies

A Transnational Study of Law and Justice on TV Peter Robson, Jennifer L Schulz, 2016-11-17 This collection examines law and justice on television in different countries around the world It provides a benchmark for further study of the nature and extent of television coverage of justice in fictional reality and documentary forms It does this by drawing on empirical work from a range of scholars in different jurisdictions Each chapter looks at the raw data of how much justice material viewers were able to access in the multi channel world of 2014 looking at three phases

apprehension police adjudication lawyers and disposition prison punishment All of the authors indicate how television developed in their countries Some have extensive public service channels mixed with private media channels Financing ranges from advertising to programme sponsorship to licensing arrangements A few countries have mixtures of these Each author also examines how TV justice has developed in their own particular jurisdiction Readers will find interesting variations and thought provoking similarities There are a lot of television shows focussed on legal themes that are imported around the world The authors analyse these as well This book is a must read for anyone interested in law popular culture TV or justice and provides an important addition to the literature due to its grounding in empirical data
