**The Dawn of Christianity** Robert J. Hutchinson, 2017-03-14 Drawing upon the most recent discoveries and scholarship in archaeology and the first century Near East The Dawn of Christianity reveals how a beleaguered group of followers of a crucified rabbi became the founders of a world changing faith How did Christianity truly come to be Where did this worldwide faith come from The Dawn of Christianity tells the story of how the first followers of Jesus survived the terror and despair of witnessing the one they knew to be the messiah God's agent for the salvation of the world suddenly arrested tried and executed Soon after Jesus death his relatives and closest followers began hearing reports that Jesus was alive again reports that even his most loyal disciples at first refused to believe Using the most recent studies by top Christian and secular scholars Robert Hutchinson known for his popular books on Christianity and Biblical Studies reconstructs all of the known accounts of these early resurrection appearances and follows the witnesses to the resurrection as they experience brutal persecution at the hands of zealots such as Saul of Tarsus and then become committed evangelists to the major population centers in Antioch Damascus Rome and Athens and ultimately across the world A riveting thriller of the most improbable history changing movement imaginable The Dawn of Christianity brings to life the compelling story of the birth of Christianity

**When in Rome** Robert J. Hutchinson, 1998-06-15

Lighthearted and altogether fascinating When in Rome is a delightful backstairs tour of one of the world's most mysterious and eccentric cities With his wife and three young sons Robert Hutchinson moved to Rome shortly before his thirty ninth birthday intending to explore the Vatican in depth He sought to capture the personality of the place the smells and the traffic the rich delicacies of Roman food the perils of the Italian language the way Italian monsignori push their way to the front of the line just like their lay countrymen When in Rome is the extraordinary journal of his Roman sojourn With playful good humor Hutchinson introduces the varied and colorful individuals who live and work in the Vatican In the process he explores the mysterious orders of medieval knights some dating back to the First Crusade which still play a vital role in the Vatican explains how bumbling Vatican archaeologists found and then lost the bones of St Peter probes the sex lives of the popes from the pornocracy of Sergius III to the incestuous orgies of Rodrigo Borgia experiences high fashion in the Holy See including a visit to the pope's personal tailor encounters the weird relics of Catholicism such as the mummified body of St Pius X and a museum made entirely out of human bones recounts the true story behind the True Cross now kept in a run down church near the Colosseum and much much more Humorous irreverent but ultimately respectful When in Rome does for the Vatican what A Year in Provence did for the French countryside in an unforgettable and unprecedented eyewitness account of one of the most fascinating places on Earth

**Jesus Journey** Trent Sheppard, 2017-02-07 Jesus was human like you and me If the gospel is true he still is Christians worldwide believe that Jesus is God But this belief wasn't the starting point for Jesus earliest followers While Jesus humanity was a given for the disciples his divinity was a truth they grew into

believing it was a journey of faith As Christians today we are also called into a faith journey this time to rediscover Jesus humanity Yes we believe that Jesus is God but do we truly believe that Jesus is human And if so how does that transform our own experience of being human Through eye opening yet down to earth reflections Jesus Journey invites you to encounter Jesus again as if for the first time by experiencing his breathing heart beating body and blood crying and laughing humanity Join Bible teacher and storyteller Trent Sheppard as he shines new light on the vibrant humanity of the historical Jesus through an up close look at Jesus relationships with Mary and Joseph with the God he called Abba with his closest friends and followers and how ultimately his crucifixion and resurrection finally and forever redefine what we mean by the word God Come encounter the human who radically transforms our view of God Come encounter the God who forever changes what it means to be human

*Mystery of the Magi* Dwight Longenecker, 2017-11-06 The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth Robert J Hutchinson author of *The Politically Incorrect Guide to the Bible* *The Dawn of Christianity* and *Searching for Jesus* Utterly refreshing and encouraging Eric Metaxas New York Times bestselling author of *Bonhoeffer* Pastor Martyr Prophet Spy and Martin Luther The best book I know about the Magi Sir Colin John Humphreys Ph D author of *The Mystery of the Last Supper* Modern biblical scholars tend to dismiss the Christmas story of the wise men from the East as pious legend Matthew's gospel offers few details but imaginative Christians filled out the story early on giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas crche For many scholars then there is no reason to take the gospel story seriously But are they right Are the wise men no more than a poetic fancy In an astonishing feat of detective work Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened Piecing together the evidence from biblical studies history archeology and astronomy he goes further uncovering where they came from why they came and what might have happened to them after eluding the murderous King Herod In the process he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world The evidence is clear and compelling The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of the Nabatean king at Petra where the Hebrew messianic prophecies were well known The star that inspired their journey was a particular planetary alignment confirmed by computer models that in the astrological lore of the time portended the birth of a Jewish king The visitors whose arrival troubled Herod and all Jerusalem with him may not have been the turbaned oriental kings of the Christmas carol but they were real and by demonstrating that the wise men were no fairy tale *Mystery of the Magi* demands a new level of respect for the historical claims of the gospel

*Right from Wrong* Mark Alan Smith, 2022-11-15 Where does morality come from Apologists people who offer a formal defense of their religion point to God as the answer By inspiring scriptures that people can read study and teach God supposedly gave humanity a guidebook for how to live Award winning scholar of religion and politics Mark Alan Smith shows the errors in this chain of assumptions Apologists find themselves forced to accept a book

that condemns same sex love and authorizes slavery genocide capital punishment for minor offenses and many other practices widely recognized today as immoral Apologists try to protect their worldview by ignoring the offending passages constructing strained reinterpretations rationalizing the indefensible or appealing to God's mysterious ways Is there a non religious method for discovering the elements of an objective morality Yes Smith argues the worldview of humanism Humanists apply reason logic and evidence to all subjects Smith's humanist approach to morality relies on discussion and debate among diverse participants as the best means to attain a moral code stripped of the biases of each individual group and society The result is a hopeful portrait of how to build on the moral progress humans have achieved since the writing of religious scriptures

**Hidden Gospels** Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity

[An Irreverent Curiosity](#) David Farley, 2009-07-09 Read David Farley's posts on the Penguin Blog A tour through the centuries and through a bizarre Italian town in search of an unbelievable relic the foreskin of Jesus Christ In December 1983 a priest in the Italian hill town of Calcata shared shocking news with his congregation the pride of their town the foreskin of Jesus had been stolen Some postulated that it had been stolen by Satanists Some said the priest himself was to blame Some even pointed their fingers at the Vatican In 2006 travel writer David Farley moved to Calcata determined to find the missing foreskin or at least find out the truth behind its disappearance Farley recounts how the relic passed from Charlemagne to the papacy to a marauding sixteenth century German soldier before finally ending up in Calcata where miracles occurred that made the sleepy town a major pilgrimage destination Blending history travel and perhaps the oddest story in Christian lore *An Irreverent Curiosity* is a weird and wonderful tale of conspiracy and misadventure

*Searching for Jesus* Robert Hutchinson, 2015 For more than a century Bible scholars and university researchers have been systematically debunking what ordinary Christians believed about Jesus of Nazareth But what if the most recent Biblical scholarship actually affirmed the New Testament What if Jesus was not a Zealot revolutionary or a Greek Cynic philosopher or a proto feminist Gnostic but precisely what he claimed to be

the divine Son of Man prophesied in the Book of Daniel who gave his life as a ransom for many What if everything the Gospels say about Jesus of Nazareth his words his deeds his plans turned out to be true Searching for Jesus changes what if to what is debunking the debunkers and showing how the latest scholarship supports orthodox Christian belief
