Profanity, Obscenity and the Media Melvin J. Lasky,2017-12-02 This is the second volume of Melvin J Lasky s The Language of Journalism series praised as a brilliant and original study in communications and contemporary language and as a joy to read When it was first published it broke ground in focusing on the comparative styles and prejudices of mainstream

American and British newspapers and in its trenchant analysis of their systematic debasement of language in the face of obligatory platitudes and compulsory euphemisms Lasky documents the growing crisis affecting honest thoughtful and independent journalism in the Western world He extends the scope of his first volume in the trilogy and deepens the interpretation He also adds a personal touch of wit and anecdote as one might expect from an experienced international journalist and historian Lasky's examination of the use of formerly forbidden language is a triumph of sinuous semantics In his incisive analysis we see the tortuous struggle of a once Puritanized literary culture writhing to break free of censorship and self censorship This volume on the phenomenon of profanity adds another dimension to Lasky's thesis on mass culture's trivialization of real social and political phenomena It also underscores our society's embrace of banality in standardizing politically correct jargon and slang Readers of the first volume will find here a new range of references to illuminate the detail of what our newspapers have been publishing     **The Outlook** ,1922     *The Publishers Weekly* ,1873     **Reel Food**

Anne L. Bower,2012-08-06 Reel Food is the first book devoted to food as a vibrant and evocative element of film featuring original essays by major food studies scholars among them Carole Counihan and Michael Ashkenazi This collection reads various films through their uses of food from major food films like Babette's Feast and Big Night to less obvious choices including The Godfather trilogy and TheMatrix The contributors draw attention to the various ways in which food is employed to make meaning in film In some cases such as Soul Food and Tortilla Soup for example food is used to represent racial and ethnic identities In other cases such as Chocolat and LikeWater for Chocolate food plays a role in gender and sexual politics And of course there is also discussion of the centrality of popcorn to the movie going experience This book is a feast for scholars foodies and cinema buffs It will be of major interest to anyone working in popular culture film studies and food studies at both the undergraduate and graduate level     Chinese Roundabout Jonathan D.
