and maybe get another perspective of the situation or someone whom they just needed to vent to Be a good listener It s not always about you When you help someone chances are you are helping yourself At times people just need some help The littlest things can make such a big difference a smile a laugh or even just opening the car door for someone This book is over twenty years and a lifetime of observations situations and experiences I have had and many you have had The key element of Whatever is to help yourself first and then for you to pass it on to others We are just a world of people helping people and sometimes we need a little help I hope you enjoy reading Whatever and have some laughs and smiles along the way I know you have seen some of the writings and pictures before Maybe now you will be able to look at your life differently Whatever will help you do that and also for you to help someone else Remember what they tell you on an airplane Secure your own oxygen first before helping others Enjoy your time
