Adams, Rebecca L. Pierce, 2021-09-23 *Differentiation That Really Works* Science provides time saving tips and strategies from real teachers who teach science in grades 6-12. These teachers not only developed the materials and used them in their own classes but they also provided useful feedback and comments about the activities. The strategies included in the book are tiered lessons, cubing, graphic organizers, exit cards, learning contracts, and choice boards. Every strategy includes directions and offers opportunities for differentiation. Grades 6-12. *The Whole Cosmos Catalog of Science Activities* Joseph Abruscato, Jack Hassard, 1991. A collection of experiments, projects, and other activities exploring the many areas of science from the earth and space sciences to computer technology and ESP. *Shaking the World for Jesus* Heather Hendershot, 2010-03-15. In 1999 the Reverend Jerry Falwell outed Tinky Winky, the purple character from TV's Teletubbies. Events such as this reinforced in many quarters the common idea that evangelicals are reactionary, out of touch, and just plain paranoid. But reducing evangelicals to such caricatures does not help us understand their true spiritual and political agendas and the means they use to advance them. *Shaking the World for Jesus* moves beyond sensationalism to consider how the evangelical movement has effectively targeted Americans as both converts and consumers since the 1970s. Thousands of products promoting the Christian faith are sold to millions of consumers each year through the Web, mail order catalogs, and even national chains such as Kmart and Wal-Mart. Heather Hendershot explores in this book the vast industry of film, video, magazines, and kitsch that evangelicals use to spread their message. Focusing on the center of conservative evangelical culture, the white middle class Americans who can afford to buy Christian lifestyle products, she examines the industrial history of evangelist media, the curious subtleties of the products themselves, and their success in the religious and secular marketplace. To garner a wider audience, Hendershot argues, evangelicals have had to carefully temper their message. But in so doing, they have painted themselves into a corner. In the postwar years, evangelical media wore the message of salvation on its sleeve, but as the evangelical media industry has grown, many of its most popular products have been those with heavily diluted Christian messages. In the eyes of many followers, the evangelicals who purvey such products are sellouts, hucksters more interested in making money than spreading the word of God. Working to understand evangelicalism rather than pass judgment on it, *Shaking the World for Jesus* offers a penetrating glimpse into a thriving religious phenomenon. **Take Me There** Susane Colasanti, 2009-05-14. Romance and revenge from the author of the City Love trilogy. Rhiannon is devastated after the breakup with her boyfriend and wants him back. Nicole's ex is still pining for her but she can't help having a new crush. And then there is James, hopelessly in love with Rhiannon, who can't see that their friendship can be so much more. Just when things couldn't get more complicated, the school's resident mean girl decides she is intent on ruining everyone's life. James, Nicole, and Rhiannon are not going to let this slide but will their desire to take down the mean girl bring these three friends exactly what they want. *Modern Rockhounding and Prospecting Handbook* Garret Romaine, 2013-10-15. This volume gives you the basic tools to transition from pebble pup to expert rockhound and explains everything from geology
