thousand advertising messages and hundreds of emails every day it's no wonder you feel like you're constantly fighting distraction. What is the secret known to a select group of high achievers including Olympic athletes to finding your focus zone? The key is managing adrenaline. Too much and you're overstimulated; too little and you're not stimulated enough. Now you too can learn the same methods that high performers use. In *Find Your Focus Zone*, psychologist Lucy Jo Palladino PhD gives you eight sets of keys to unlock your best attention so that you can concentrate in every situation even when you're under pressure or facing dull tasks that must be done. You'll choose which key solutions and strategies work best for you and use them to create your own personal keychain for daily achievement and success. The skills you learn in *Find Your Focus Zone* will help you to Beat procrastination and face boring jobs. Overcome obstacles and finish what you start. Prevent yourself from getting overwhelmed and burned out. Build balance and trust in your work and family relationships. Enhance your self confidence. Use interruptions to your advantage. Tune out distractions to increase your efficiency and effectiveness. Dr. Palladino is the first to explain the science of attention in plain language. As she teaches you cutting edge concepts and methods to win the fight against distraction and overload she highlights them with engaging stories, easy exercises and useful tips. With the individualized program that Dr. Palladino prescribes for your particular needs you'll learn not only how to find your focus zone but also how to boost your personal productivity by applying these attention skills, self encouragement practices and strengths. And by learning to flex your attention muscle you'll avoid the dangers of distraction and boredom like missing deadlines, disappointing your family and feeling scattered and ineffective. A book for anyone who struggles to cut through the noise of everyday life, *Find Your Focus Zone* gives you the tools you need to succeed in today's digital world of distraction. Warm, practical and user friendly with innovative techniques and a powerful message, it's just what the doctor ordered.

Committee on Health, Education, Labor, and Pensions, 2013. *Prepared* Diane Tavenner, 2021-09-14. A blueprint for how parents can stop worrying about their children's future and start helping them prepare for it from the cofounder and CEO of one of America's most innovative public school networks. A treasure trove of deeply practical wisdom that accords with everything I know about how children thrive. Angela Duckworth. New York Times bestselling author of *Grit*. In 2003, Diane Tavenner cofounded the first school in what would soon become one of America's most innovative public school networks. Summit Public Schools has since won national recognition for its exceptional outcomes. Ninety nine percent of students are accepted to a four year college and they graduate from college at twice the national average. But in a radical departure from the environments created by the college admissions arms race, Summit students aren't focused on competing with their classmates for rankings or test scores. Instead, students spend their days solving real world problems and developing the skills of self direction, collaboration and reflection, all of which prepare them to succeed in college, thrive in today's workplace.

and lead a secure and fulfilled life Through personal stories and hard earned lessons from Summit s exceptional team of educators and diverse students Tavenner shares the learning philosophies underlying the Summit model and offers a blueprint for any parent who wants to stop worrying about their children s future and start helping them prepare for it At a time when many students are struggling to regain educational and developmental ground lost to the disruptions of the pandemic Prepared is more urgent and necessary than ever
