

Behind the Imagery of Lorca's Romance Sonambulo

Verde que te quiero verde. Green, how I want you green. Thus begins the powerful scene in Lorca's poem Romance Sonambulo.

First-time readers would see unfolding for them the passion of a man longing for his "gypsy maiden by the balcony", with the "green flesh, green hair and eyes of cold silver". The poem, however, remains strangely ambivalent as to its exact interpretation—there is no definitive word that captures the central idea behind the Romance Sonambulo. Those who would give a cursory glance at the author's life would probably be captivated by his death at the hands of the Falangists during the Spanish Civil War. This death by Federico Lorca, itself, would represent the martyrdom of many an artist and poet and the loss of Spain's youth to war; it would certainly attach to Romance Sonambulo the value of a war tragedy.

This interpretation, however, is anachronistic. The poem, written in the general work *Primero Romancero Gitano* (Gypsy Ballads), was published in 1927. Though Lorca's work may seem prophetic in its portrayal to those who would interpret it as about a war that exploded in the 1930s, most certainly this was not the original intent of the author. It may also be that his intention was that it not be read as something with a central idea or tale, but a vista of images revolving around a central, tragic theme within his own life.

Federico Garcia Lorca was Granadan by birth, and in Andalusia he was first exposed to the literary and artistic circles of Spain's time, among them Salvador Dali and Luis Bunuel. At an early age he was already experimenting on artistic concepts that went against the norm, his first play *El maleficio de la mariposa* depicting the love of a cockroach for a butterfly. In 1927 he was part of the formal meeting of the Generation of '27, celebrating the avant-garde and commemorating the tricentenary death of Luis Gongora. The latter's style of *culteranismo*, which gave words and phrases multiple meanings, was one of the primary contributors to the avant-garde movement in 1920's Spain, a style which purposefully went against structure and norm.

At the same time, during the late 1920's Lorca was depressed, conflicted with his homosexuality and was intimately involved with the painter Salvador Dali. In 1927, it grew worse when, following the success of his *Primer Romancero Gitano*, he had to lead the double life of a successful, happy artist and a frustrated, anguished man. His depression led to estrangement with close friends, and the ending of his relationship with Dali in 1929, after he suspected the newly made film by the latter, *Andalusian Dog*, was an attack on him. It was only later, after a short stay in America from 1929 to 1930, and after a further fruitful period in pre-war Spain, did Lorca meet with tragedy.

Spain was embroiled in a war between Republicans and Nationalists, Communists and Fascists, and in August 1936, the Fascist Falange executed him as a Commu

Romance Sonambulo Analysis
