Brunn,2024-05-23 This book explores journeys in a time context with a focus on places place meanings and landscapes Whether the journey relates to ancient or modern trails roads or railroads or a historical or contemporary pilgrimage or a tourist venture in social contexts the book addresses the importance of places and environmental settings whereby time itself is described and defined in multiple contexts The chapters discuss among others archaeological and pre history settings tourism settings and heritage events as well as regional and transnational migration routes and those used by historical nomadic cultures and postmodern nomads Some time and place journeys are fluid and dynamic and re interpreted while for others there is much sameness in the visible landscapes Retaining the past and reconstructing the past are both journeys That sameness concept is also applied to cultural and political worlds where there is little progress or reform to address social welfare and empowerment This book opens the door for exploring shallow and deep journeys by those in the humanities and social sciences at local national and regional scales **Marilyn Monroe & Joe DiMaggio - Love In Japan, Korea & Beyond** Jennifer Jean Miller,2014-02-14 The story of Marilyn Monroe and Joe DiMaggio is a timeless tale Both of these legends had extraordinary careers in their individual fields as well as remarkable existences This book chronicles each of their lives from the days before they met until that magical night in 1952 when their paths finally crossed Their lives would never be the same after that Though their marriage lasted for nine months their love endured beyond those years and Joe s heart yearned for no one else even at his deathbed thirty seven years after her untimely passing This account shares of their love and focuses on their marriage in 1954 and their trip to Japan and her trip to Korea during the nearly one month time span that the couple was in the Far East together A segment of the author s
