Oldfield, 2021-05-24 Many have pontificated about church growth telling church planters and pastors how to increase the number of attendees and members Most have spoken authentically from inspiring experiences and what they ve recommended has worked at least for some But what about advice on how to reduce those numbers how to empty those pews This manual provides just that and its suggestions don t emanate from an ivory tower they too are based on real life experiences The insights and guidelines of How to Empty a Church may be expressed tongue in cheek but they re not fictional they reflect the history of an actual congregation Fasten your seatbelt it s going to be a bumpy but worthwhile ride **Monthly Catalog of United States Government Publications** United States.
