Dear all,

A person can be well disciplined if he or she can achieve any sorts of thing which is being taught in the institution. The compassion and love attachment which was taught in this institution was the exact meaning of success. I am proud of being a part of this college. Moreover I would like to thank each and everyone who have taught these values to me.

I would also thank the Dean who has inculcated everyone in all kinds of ways. In addition to it, the Dean has given us the best education available till date. I really appreciate for the support and values taught in us with the assistance of our honorable teachers. My best wishes are every time with the teaching as well as the non-teaching staff, who had assisted us in many other things also. We will miss all the moments spent in this medical college. Thanking you all once again.

Yours sincerely,

Danish Agarwal
