3. People do not save money because: They lack discipline, do not live on a budget, and lack focus.
4. The amount of money that you save is not determined according to how much you have left at the end of the month after all spending is done. It is focus, habit, discipline.
5. The five steps to financial success are called the Five Foundations.
6. This is not true: A fully funded emergency fund should be \$100.
7. This is not true: The first foundation is to get out of debt.
