Instructions: When you are told to begin, check that this examination booklet contains all the numbered pages from 2 through 20. The exam contains 8 problems. Read each problem carefully. You must show your work. The grade you get depends on your solution even when you write down the correct answer. BOX your final answer. Do not panic or be discouraged if you cannot do every problem; there are both easy and hard parts in this exam. **If a part of a problem depends on a previous answer you have not obtained, assume it and proceed.** Keep moving and finish as much as you can!

Possibly useful constants and equations are on the last page, which you may want to tear off and keep handy.
