Doctor on Everest Peter Steele, 2005 Peter Steele had already spent several years trekking and working in the Himalayas when he reluctantly took the position of medical officer on the 1971 International Everest Expedition He expected it to be a hard climb what he didn t expect were the series of disasters that included a near epidemic a walk out and the death of a team member

Struggling against bad weather hostile news reports and violent infighting the members still attempted to climb Everest via the treacherous never before attempted southwest face As much an expos of Steele s colorful climbing companions foreign and Sherpa as a chronology of the perilous day to day challenges of attempting a difficult new route on the world s highest mountain Doctor on Everest is a white knuckle ride into an extreme environment and a compelling look at the limits of human endurance
