Delirious New Orleans Stephen Verderber, 2009-02-15 Winner Abbott Lowell Cummings Prize Vernacular Architecture Forum 2010 From iconic neighborhoods such as the French Quarter and the Garden District to more economically modest but no less culturally vibrant areas architecture is a key element that makes New Orleans an extraordinary American city *Delirious New Orleans* began as a documentary project to capture the idiosyncratic vernacular architecture and artifacts vintage mom and pop businesses roadside motels live music clubs neon signs wall murals fast food joints and so on that helped give the city s various neighborhoods their unique character But because so many of these places and artifacts were devastated by Hurricane Katrina *Delirious New Orleans* has become both a historical record of what existed in the past and a blueprint for what must be rebuilt and restored to retain the city s unique multicultural landscape Stephen Verderber starts with the premise that New Orleans s often overlooked neighborhoods imbue the city with deep authenticity as a place He opens *Delirious New Orleans* with a photo essay that vividly presents this vernacular architecture and its artifacts both before Katrina and in its immediate aftermath In the following sections of the book which are also heavily illustrated Verderber

takes us on a tour of the city's commercial vernacular architecture as well as the expressive folk architecture of its African American neighborhoods. He discusses how the built environment was profoundly shaped by New Orleans's history of race and class inequities and political maneuvering along with its peculiar below sea level geography. Verderber also considers the aftermath of Katrina and the armada of faceless FEMA trailers that have at least temporarily and by default transformed this urban landscape.

Growing up in the Nation's Capital Carolyn Pichet, 2013-03-29 *Growing Up in the Nation's Capital* invites the reader to spend some time with Carolyn Pichet as she tells the stories of her childhood growing up in Washington D.C. in the 1940s. Growing from her recollections of the caring and distinctive people who lived around her and creating a village in the midst of the city, this memoir does not tie itself down with exhaustively documented research. Instead, it liberates the members of the community to come to life through the stories that make up its account of the author's early years. Over the span of thirteen chapters, *Growing Up in the Nation's Capital* introduces the author's family, describes her humble beginnings, paints a picture of family life, walks around the local

community recounts childhood adventures recalls family road trips and follows the author on her journey to adulthood If you have wondered what goes on in the nations capital in the places beyond the shadows of monuments and outside the halls of power then Growing Up in the Nations Capital will give you an intimate personal and memorable guided tour of one womans life and help you to become familiar with the lives of all of the members of her urban village
