Need You Now English Edition:

Need You Now Laurelin Paige, Claire Contreras, Sierra Simone, Skye Warren, Annika Martin, 2020-04-07 For some the bravest thing a person could ever do is to admit that they've fallen in love. Saying the words out loud changes everything and there's no way to take them back. It's impossible to pluck the words out of the air and slip them into their back pocket to keep the truth safely tucked away. The best feeling in the entire world though is to know irrevocably that the person they fell in love with fell just as hard in love with them. That's what makes a romance a romance. **Need You Now** is a collection of four best-selling novels including *The Dirty Duet* by Laurelin Paige, *Half Truths* by Claire Contreras, *Sinner* by Sierra Simone, *Hostage* by Skye Warren, and *Annika Martin*. Top Shelf Romance represents the best of the best in romance. There are no cliffhangers. These are simply must-read novels for readers looking for the best in happily ever afters. **Need You Now** J. Kenner, 2018-02-13 Need You Now Nicole Helm, 2017-05-30 Sparks fly for a city-smart woman and a rugged Rocky Mountain man in this sharp, funny, and sinfully sexy romance series debut. Maisie Yates, New York Times bestselling author Brandon Evans did the right thing when he threatened to expose his father's illegal mining practices. But now the once-booming Gracely, Colorado, is all but a ghost town. Residents still cling to a long-held legend about the land's healing powers. And Brandon has a plan to spin that legend into reality. Former PR consultant Lilly Preston moved to Gracely to give her nephew a better life. Now she's working for Brandon's company, offering restorative Rocky Mountain vacations. But can she really get Mile High Adventures off the ground? Brandon thinks PR is pointless, and Lilly knows less than nothing about the outdoors. Which is exactly why they need each other in ways neither ever imagined. A deeply moving contemporary. The protagonists are refreshingly willing to be up front about their feelings and listen to each other, and readers will want to revisit their story often. Publishers Weekly starred review. **Need You Now** Katie Bingham-Smith, 2025-01-22 She's my dad's high school sweetheart. And eighteen years older than me. Which makes her completely off-limits. So why does it feel like she's mine? I had my daughter Cammy at twenty. She's everything to me. Her mom shattered me, and I locked my heart up after that. Between raising my little girl and running my landscaping business, love hasn't just taken a backseat; it's not even in the car. Then I met Elle Jones. My dad's ex. His first love. And the woman I can't stop thinking about. Elle is stunning. Sharp. With soft green eyes and a mouth that begs to be kissed. I know the rules. She's too old for me. She's off-limits. And yeah, my dad's still a little hung up on her. But when I'm near her, none of that matters. Because for the first time in years, I want more. And I think she does too. Now I just have to convince her that what we're feeling is real. That age doesn't define love. And that no one—not even my dad—can tell us what our hearts already know. A deliciously forbidden age-gap small-town romance with heat, heart, and a single dad who knows exactly what and who he wants. **Need You Now** Beth Wiseman, 2012-04-09 Look for Beth Wiseman's newest book *The House That Love Built* on sale 4/2/2013.
