Neighbors By Miguel Trevino:

Distant Neighbors Alan Riding, 2011-07-06 A study of Mexico political social cultural economic by a journalist who was for the past 6 years the NYT bureau chief in Mexico City With portraits of Mexico's top leaders about a nation whose stability is vital to our national well being

ZeroZeroZero Roberto Saviano, 2015-07-14 Zero zero zero flour is the finest whitest available Zero zero zero is also the nickname among narcotraffickers for the purest highest quality cocaine on the market And it is the title of Roberto Saviano's unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and through them on us all Saviano's Gomorrah his explosive account of the Neapolitan mob the Camorra was a worldwide publishing sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection in the shadow of death threats for more than seven years During this time he has become intimate with law enforcement agencies around the world Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade in cooperation with law enforcement officials who have fed him information and sources and used him to guide their own thinking and tactics Saviano has used this extraordinary access to feed his own groundbreaking reportage The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy In Zero Zero Zero Saviano tracks the shift in the cocaine trade's axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances first with the Italian crime syndicates then with the Russians Africans and others On the one hand he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets On the other he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination able to see the connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort As heart racing as it is heady Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque

Crafting Identity Pavel Shlossberg, 2015-06-11 Crafting Identity goes far beyond folklore in its ethnographic exploration of mask making in central Mexico In addition to examining larger theoretical issues about indigenous and mestizo identity and cultural citizenship as represented through masks and festivals the book also examines how dominant institutions of cultural production art media and tourism mediate Mexican arte popular which makes Mexican indigeneity digestible from the standpoint of elite and popular Mexican nationalism and American and global markets for folklore The first ethnographic study of its kind the book examines how indigenous and mestizo mask makers both popular and elite view and contest relations of power and inequality through their craft Using data from his interviews with mask makers collectors museum curators editors and others Pavel Shlossberg places the artisans within the larger context of their

relationships with the nation state and Mexican elites as well as with the production cultures that inform international arts and crafts markets In exploring the connection of mask making to capitalism the book examines the symbolic and material pressures brought to bear on Mexican artisans to embody and enact self racializing stereotypes and the performance of stigmatized indigenous identities Shlossberg s weaving of ethnographic data and cultural theory demystifies the way mask makers ascribe meaning to their practices and illuminates how these practices are influenced by state and cultural institutions Demonstrating how the practice of mask making negotiates ethnoracial identity with regard to the Mexican state and the United States Shlossberg shows how it derives meaning value and economic worth in the eyes of the state and cultural institutions that mediate between the mask maker and the market

Reporting at the Southern Borders Giovanna Dell'Orto,Vicki L. Birchfield,2013-10-15 Undocumented immigration across the Mediterranean and the US Mexican border is one of the most contested transatlantic public and political issues raising fundamental questions about national identity security and multiculturalism all in the glare of news media themselves undergoing dramatic transformations This interdisciplinary international volume fills a major gap in political science and communication literature on the role of news media in public debates over immigration by providing unique insider s perspectives on journalistic practices and bringing them into dialogue with scholars and immigrant rights practitioners After providing original comparative research by established and emerging international affairs and media scholars as well as grounded reflections by UN and IOM practitioners the book presents candid in depth assessments by nine leading European and North American journalists covering immigration from the frontlines ranging from the Guardian s Southern Europe editor to the immigration reporter for the Arizona Republic Their comparative reflections on the professional institutional and technological constraints shaping news stories offer unprecedented insight into the challenges and opportunities for 21st century journalism to affect public discourse and policymaking about issues critical to the future of the transatlantic space making the book relevant across a wide range of scholarship on the media s impact on public affairs

Reign of Terror Leo Silva,2024-11-10 **Reign of Terror** by Leo Silva is a gripping true crime memoir that takes readers deep inside the brutal world of Mexico s Los Zetas cartel Former DEA Special Agent Silva brings unparalleled insight recounting his years on the front lines in the relentless fight against one of the world s most violent criminal organizations This powerful narrative unveils the hidden realities of the drug war from the complex relationships between the cartels and law enforcement to the personal sacrifices made by those who risk everything to protect others With raw detail and authenticity Silva sheds light on the lives of those entangled in a web of corruption power and violence **Reign of Terror** is more than a recount of battles won and lost it s a story of courage resilience and the cost of justice A must read for fans of true crime and international intrigue In **Reign of Terror** Leo Silva masterfully recounts the rise and fall of the notorious and ultra violent Los Zetas cartel But more than just retelling the story Leo s work is filled with inside information and insights that bring the reader into the world of those tasked with dismantling Los Zetas

Compelling Leo brings profound humanity to the fight against the Zetas a fight that brought both victories and tragedies all of which are deeply felt by the reader Jack Luellen Author of Someone Had to Die Podcast Host Cartels Conspiracies and Camarena **Narconomics** Tom Wainwright, 2016-02-23 Picking his way through Andean cocaine fields Central American prisons Colorado pot shops and the online drug dens of the Dark Web Tom Wainwright provides a fresh innovative look into the drug trade and its 250 million customers More than just an investigation of how drug cartels do business Narconomics is also a blueprint for how to defeat them How does a budding cartel boss succeed and survive in the 300 billion illegal drug business By learning from the best of course From creating brand value to fine tuning customer service the folks running cartels have been attentive students of the strategy and tactics used by corporations such as Walmart McDonald s and Coca Cola And what can government learn to combat this scourge By analyzing the cartels as companies law enforcers might better understand how they work and stop throwing away 100 billion a year in a futile effort to win the war against this global highly organized business Your intrepid guide to the most exotic and brutal industry on earth is Tom Wainwright Picking his way through Andean cocaine fields Central American prisons Colorado pot shops and the online drug dens of the Dark Web Wainwright provides a fresh innovative look into the drug trade and its 250 million customers The cast of characters includes Bin Laden the Bolivian coca guide Old Lin the Salvadoran gang leader Starboy the millionaire New Zealand pill maker and a cozy Mexican grandmother who cooks blueberry pancakes while plotting murder Along with presidents cops and teenage hitmen they explain such matters as the business purpose for head to toe tattoos how gangs decide whether to compete or collude and why cartels care a surprising amount about corporate social responsibility More than just an investigation of how drug cartels do business Narconomics is also a blueprint for how to defeat them

Peace, 1912 The Way That Leads Among the Lost Angela Garcia, 2024-04-30 Based on over a decade of research a powerful moving work of narrative nonfiction that illuminates the little known world of the anexos of Mexico City the informal addiction treatment centers where mothers send their children to escape the violence of the drug war The Way That Leads Among the Lost reveals a hidden place where care and violence are impossible to separate the anexos of Mexico City The prizewinning anthropologist Angela Garcia takes us deep into the world of these small rooms informal treatment centers for alcoholism addiction and mental illness spread across Mexico City s tenements and reaching into the United States Run

and inhabited by Mexico's most marginalized populations they are controversial for their illegality and their use of coercion Yet for many Mexican families desperate to keep their loved ones safe these rooms offer something of a refuge from what lies beyond them the intensifying violence surrounding the drug war This is the first book ever written on the anexos Garcia who spent a decade conducting anthropological fieldwork in Mexico City draws readers into their many dimensions casting light on the mothers and their children who are entangled in this hidden world Following the stories of its denizens she asks what these places are why they exist and what they reflect about Mexico and the wider world With extraordinary empathy and a sharp eye for detail Garcia attends to the lives that the anexos both sustain and erode wrestling with the question of why mothers turn to them as a site of refuge even as they reproduce violence Woven into these portraits is Garcia's own powerful story of family childhood homelessness and drugs a blend of ethnography and memoir converging on a set of fundamental questions about the many forms and meanings that violence love care family and hope may take Infused with profound ethnographic richness and moral urgency *The Way That Leads Among the Lost* is a stunning work of narrative nonfiction a book that will leave a deep mark on readers
