Nobu S Vegetarian Cookbook:

Nobu's Vegetarian Cookbook Nobuyuki Matsuhisa, 2011 Nobu's restaurants are known the world over for the quality of their ingredients and for the skill and originality with which the food is prepared and presented. Now in this first cookbook by Nobu to focus on vegetable dishes, the master chef shares his expertise and deep knowledge of Japanese cuisine in sixty recipes that showcase vegetables in all their variety. Throughout the book, the emphasis is on fine and healthy Japanese dining. Nobu uses a wide range of cooking techniques from marinating and pickling to steaming, roasting, boiling, frying, grating, etc. to bring out the full flavors and textures of the vegetables. He also introduces tofu and yuba, both traditional Japanese ingredients made from soybeans, and offers ten recipes for vegetable sweets and fifteen for cocktails. **Nobu** Nobuyuki Matsuhisa, 2001-07-19 With his multinational empire of restaurants, Nobu has become the world's greatest sushi chef. Food52 Genius Recipes Kristen Miglore, 2015-04-07 There are good recipes and there are great ones, and then there are genius recipes. ONE OF THE NEW YORKER'S FIFTEEN ESSENTIAL COOKBOOKS. Genius recipes surprise us and make us rethink the way we cook. They might involve an unexpectedly simple technique, debunk a kitchen myth, or apply a familiar ingredient in a new way. They're handed down by luminaries of the food world and become their legacies. And once we've folded them into our repertoires, they make us feel pretty genius, too. In this collection are 100 of the smartest and most remarkable ones. There isn't yet a single cookbook where you can find Marcella Hazan's Tomato Sauce with Onion and Butter, Jim Lahey's No-Knead Bread, and Nigella Lawson's Dense Chocolate Loaf Cake, plus dozens more of the most talked-about, just-crazy-enough-to-work recipes of our time. Until now. These are what Food52 Executive Editor Kristen Miglore calls genius recipes. Passed down from the cookbook authors, chefs, and bloggers who made them legendary, these foolproof recipes rethink cooking tropes, solve problems, get us talking, and make cooking more fun. Every week, Kristen features one such recipe and explains just what's so brilliant about it in the James Beard Award-nominated Genius Recipes column on Food52. Here in this book, she compiles 100 of the most essential ones, nearly half of which have never been featured in the column, with tips, riffs, mini-recipes, and stunning photographs from James Ransom to create a cooking canon that will stand the test of time. Once you try Michael Ruhlman's fried chicken or Yotam Ottolenghi and Sami Tamimi's hummus, you'll never want to go back to other versions. But there's also a surprising ginger juice you didn't realize you were missing and will want to put on everything, and a way to cook white chocolate that finally exposes its hidden glory. Some of these recipes you'll follow to a T, but others will be jumping-off points for you to experiment with and make your own. Either way, with Kristen at the helm,

revealing and explaining the genius of each recipe Genius Recipes is destined to become every home cook's go to resource for smart memorable cooking because no one cook could have taught us so much **Nobu** Nobu Matsuhisa,2019-09-24 In this outstanding memoir chef and restaurateur Matsuhisa shares lessons in humility gratitude and empathy that will stick with readers long after they've finished the final chapter Publishers Weekly starred review Inspiration by example Associated Press from the acclaimed celebrity chef and international restaurateur Nobu as he divulges both his dramatic life story and reflects on the philosophy and passion that has made him one of the world's most widely respected Japanese fusion culinary artists As one of the world's most widely acclaimed restaurateurs Nobu's influence on food and hospitality can be found at the highest levels of haute cuisine to the food trucks you frequent during the work week this is the Nobu that the public knows But now we are finally introduced to the private Nobu the man who failed three times before starting the restaurant that would grow into an empire the man who credits the love and support of his family as the only thing keeping him from committing suicide when his first restaurant burned down and the man who values the busboy who makes sure each glass is crystal clear as highly as the chef who slices the fish for Omakase perfectly What makes Nobu special and what made him famous is the spirit of what exists on these pages He has the traditional Japanese perspective that there is great pride to be found in every element of doing a job well no matter how humble that job is Furthermore he shows us repeatedly that success is as much about perseverance in the face of adversity as it is about innate talent Not just for serious foodies this insightful peek into the mind of one of the world's most successful restaurateurs Library Journal is perfect for fans of Marie Kondo's The Life Changing Magic of Tidying Up and Danny Meyer's Setting the Table Nobu's writing does what he does best it marries the philosophies of East and West to create something entirely new and remarkable **Nobu Now** Nobuyuki Matsuhisa,2004 Gives an exhilarating taste of how his repertoire has developed constantly expanded by his travels and experience as well as the rich cross fertilisation with cuisines of the nations in which his empire now operates **Nobu West** Nobu Matsuhisa,Mark Edwards,2007-03 I always put something special in my food my heart or kokoro as we say in Japanese and you of course must put your own heart into your own cooking Nobu Matsuhisa Nobu is one of the most loved and best known celebrity chefs in North America respected as a culinary innovator of easily prepared culturally fused Japanese cuisine Nobu draws upon his extensive training in Tokyo and his life abroad in Peru Argentina and Alaska as well as his own Michelin rated award winning restaurants worldwide to create unusual and ingenious East meets West dishes like Chilled Pea Shoot Soup with Caviar Oysters with Pancetta Iberian Pork Shabu Shabu and the Japanese Mojito which herald his ability to explore a confluence of cultures and tastes Nobu style is synonymous with flexibility freshness quality and above all simplicity Nobu West is for cooks of all experience levels providing advice descriptions of unfamiliar flavorings ingredients and techniques and helpful step by step illustrations along with tantalizing full color photographs Nobu Miami Nobu Matsuhisa,Thomas Buckley,2017-03-28 What would it be like to host an event catered by Nobu and Thomas Buckley the
