Ritchie Mined - Volume I Bill H. Ritchie, 2018-05-03. Short summaries of 3026 essays by Bill H. Ritchie, artist, teacher, and visionary, drawn from his journals written between 1969-2009. He structured the headings of each article according to an imaginary place he calls Emerald Isle, imagining ten islands on a lake where he, as a recipient of a mythical prize, is encouraged to write freely about anything that seems important to an artist, teacher, and philosopher. Mindful of the use of new technologies, each essay summary has key index features which would allow a reader, having a computer and optional CD-ROM, to retrieve the full text of any article. Or, using freely chosen keywords of their own, find the articles which have those words in them.

Etched on Me Jenn Crowell, 2014-02-04. Girl Interrupted meets Best Kept Secret in this riveting redemptive coming-of-age story about a young woman who overcomes a troubled adolescence only to lose custody of her daughter when her mental health history is used against her. On the surface, sixteen-year-old Lesley Holloway is just another bright new student at Hawthorn Hill, a posh all-girls prep school north of London. Little do her classmates know that she recently ran away from home where her father had spent years sexually abusing her. Nor does anyone know that she's secretly cutting herself as a coping mechanism until the day she goes too far and ends up in the hospital. Lesley spends the next two years in and out of psychiatric facilities where she overcomes her traumatic memories and finds the support of a surrogate family. Eventually completing university and earning her degree, she is a social services success story until she becomes unexpectedly pregnant in her early twenties. Despite the overwhelming odds, she has overcome the same team that saved her as an adolescent will now question whether Lesley is fit to be a mother. And so she embarks upon her biggest battle yet: the fight for her unborn daughter.
