with the wrong man He wants justice and his money back Missing Mom Pieces Christy Lawler,2019-03-07 We know what pain rejection anger bitterness and loneliness look and feel like We know how those emotions intensify when it is from our own family members those that are supposed to love and take care of us but are not always successful at it I wanted to feel what others had to read it and to experience it just a little As others shared what their mom relationships were like that pain was deeper than I realized before I no longer wanted to live through your experiences instead I wanted to let you know I get it a little Through some real honest moments came some really raw memories and painful truths not just my own but yours as well I found myself weeping and praying for all of you that shared your stories with me I know I needed to go on a journey with God as my guide to find my missing mom pieces so I could heal and pass that on to you So I pray you take this journey as you figure out what your missing mom pieces are so you may feel peace in the pain strength in the sorrow and healing in the days to come Are you ready **Awakened by My Angels** Maxine Allen Rifenburgh,2017-01-03 This book is based upon poetry written as the words flowed through my head that I immediately knew I had to write down Some of the poems are heartbreakingly written from my perspective of being hit and called names that broke my heart and soul during my marriage Other poems are written from hearing my angels as I wrote down the poems and still others from my dreams at night with the message I gained from the dreams I reconnected with God and my angels over this period We are not left when family members pass away They are still with us I hope in writing my story I give hope to those who need it inspire others to reach out to those in need and bring strength to survivors of domestic violence A Stick and a Stone Brown Eagle,2015-02-25 The Lord is close to the brokenhearted and saves those who are crushed in spirit Psalm 34 18 Sadly love knows too well the abused betrayed neglected abandoned rejected and cheated just to name a few Loves gift of joy and trust quickly fades Loves flame quietly becomes a smoldering ember Walls are built a dark fortress within protects a heart that breaks A Stick and a Stone was written to reach out to those who are hurting The path of life these days is not an easy road to travel Praises lifted that we do not have to travel this road alone I was abandoned at nine months of age placed in Saint Vincents Orphanage and adopted by the age of six By the age of 14 the streets had become safer Abuse had become the norm throughout life A Stick and a Stone was written to help those who are hurting broken and crushed in spirit My prayer is that the messages found in my writings will give others the same strength hope and love that I have found in Christ *My Broken Mug: The Memoir of an Unwanted Daughter* Beatrice Lotter,2022-03-31 What happens when a mother does not or cannot love her daughter My Broken Mug The Memoir of an Unwanted Daughter focuses on explaining what it feels like to be rejected by your own mother An eye opening journey in the life of Beatrice the unappreciated daughter she examines her mother s toxic behavior by pointing out the emotional trauma she had endured during the first two decades of her life The impact this had on her life shaped the blueprint for most of her relationships during adulthood where she experienced rejection once again she went through two divorces and faced physical and emotional abuse by her second husband For most of her life Beatrice lacked self

confidence and struggled to control her emotions until she experienced a period of profound Spiritual Awakening that led to many positive changes some of which are still ongoing Today she spreads the Word of God and uses her negative experiences to help others A chosen disciple of God Beatrice Lotter is a Pastor from South Africa Her whole life is a testimony to how a person can overcome challenging circumstances and obstacles She is a daughter born out of wedlock whose name was later changed to Annemarie by the will of her stepfather s family Nevertheless she rightfully took back what was hers her original identity Over the years Beatrice has blossomed into a spiritual leader who helps others understand that they can get through any difficulties that come in their way just like she did Despite the many hurdles she always managed to pick herself back up and move forward because even in dark places there is light Today Beatrice encourages others to receive God s guidance and love and not surprisingly her name means she who brings happiness God has given her a gift and it is indeed a blessing to be around her
