Teaching Primary Drama Brian Woolland, 2014-04-23 Assuming no prior knowledge or experience of drama teaching Brian Woolland's Teaching Primary Drama offers a comprehensive introduction to the teaching of drama in the primary school and focuses on current initiatives in primary education including the primary literacy strategy. The text is an invaluable resource for any teacher wishing to adopt a creative approach to teaching in their classroom. It offers guidance on different drama methods and each practical idea translates to all areas of the curriculum. Teaching Primary Drama is written in simple terms uncluttered by references, is refreshingly straightforward and succinct and does not fall into the trap of making a complex subject sound complex, a trait of some texts which can push non-specialists away. Amanda Kipling, London Drama Magazine, Summer 2010 issue.

Storytelling across the Primary Curriculum Alastair K Daniel, 2013-06-17 Starting from the question 'what is a story?' Storytelling Across the Primary Curriculum leads the reader through the theory and practice of storytelling as an educational method, a method taught by the author over the last ten years through Primary English teaching programmes. This practical book gives teachers the skills and confidence to use storytelling and the spoken word in new and exciting ways in the classroom. It will also give teachers the confidence to put down the book and trust themselves to tell rather than read a story. It provides a wealth of examples of cross-curricular teaching opportunities, including a section on the ways in which the teaching of phonics can be embedded in the real language of story. Storytelling Across the Primary Curriculum is ideal for trainee and practicing primary school teachers who want to develop their classroom practice within the field of storytelling. Students on BA Primary BEd and PGCE courses, particularly those specialising in English, will also benefit from this book's stimulating and intuitive approach to teaching English language and literacy.
