

A technical illustration in a stylized, high-contrast black and white format. It depicts a large pile bucking machine on the right side, with its lattice boom extending towards the center. On the left, a series of sheet piles are shown being driven into the ground by a vertical pile driver. The ground is represented by a series of horizontal lines, and the water level is indicated by a wavy line. The overall scene is a cross-section view of a construction site for sheet piling.
