Too Good to Be True Jan Harold Brunvand, 2011-02-07 If you enjoy these too good to be true tales Brunvand's new book will give you hours of pleasure Chicago Tribune A fabulously entertaining book from the ultimate authority on those almost believable tales that always happen to a friend of a friend Alligators in the sewers A pet in the microwave A tragic misunderstanding of the function of cruise control No it didn't really happen to your friend's sister's neighbor it's an urban legend And no matter how savvy you think you are you are sure to find in this collection of over 200 tales at least one story you would have sworn was true Jan Harold Brunvand has been collecting and studying this modern folklore for over twenty years In Too Good to Be True he captures the best stories in their best retellings along with their latest variations and examples of how the stories have changed as they move from person to person and place to place To help you find your favorite Brunvand has arranged the tales thematically Bringing Up Baby is full of episodes of child rearing gone wrong including the grisly tale of the drugged out baby sitter who mistakes the kid for a turkey Funny Business showcases stories of infamous lapses in customer service such as the story of the shockingly expensive chocolate chip cookie recipe And The Criminal Mind features both brilliant if they were real scams as well as the purported antics of the less mentally gifted Whether you want to become an expert debunker or just have plenty of laughs this book will surprise and entertain you Illustrated throughout Informative and entertaining Brunvand has collected more than 200 of the most repeated and best known examples of modern folk myth Tampa Tribune Not only an entertaining anthology but an excellent introduction to the study of folklore itself Publishers Weekly A fun read All the classics are here from the killer upstairs to the Kentucky Fried Rat New City Resonant stories that express our hidden anxieties make us laugh or arouse our fascinated horror San Francisco Chronicle Book Review Informative and entertaining Brunvand has collected more than 200 of the most repeated and best known examples of modern folk myth Tampa Tribune Not only an entertaining anthology but an excellent introduction to the study of folklore itself Publishers Weekly **A Guide to Guide Dog Schools** Ed Eames, 1994 Fewer than 1.5% of the blind and visually impaired use guide dogs as their basic means of mobility One reason for this low percentage is the lack of information about these canine assistants The authors' goal is to fill this information gap Intro As the authors originally envisioned this guide it would be a resource for blind people considering partnership with guide dogs They did not anticipate the interest shown by orientation and mobility instructors rehabilitation counselors disabled student officers librarians and teachers of the blind and visually impaired They hope the present edition will find an equally diversified readership To provide greater coverage they are including the Canadian training programs in this edition Pref

Cummins,2013-11-07 When Homo sapiens sapiens met Canis lupus lupus millennia ago the result was Canis lupus familiaris the domestic dog Since that fateful encounter the dog has become arguably humankind s greatest creation The domestic dog is the most widely distributed species other than ourselves in the world being found virtually wherever people live and is also the most diversified of species with literally hundreds of recognized breeds While we have shaped the dog it too has helped shape human history in innumerable ways Our Debt to the Dog is a critical historical and cross cultural examination through the use of case studies of this most improbable 15 000 year relationship and an exploration of how this relationship shaped the history of the world It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise Our Debt to the Dog enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human canine relationships and the dog s contributions to our lives and our world *The Role That Assistance Dogs Play in Supporting People with Disabilities* Gabriel Bennett,Emma Goodall,2024-05-16 Dogs have long been recognised as valuable companions for people with disabilities In this book readers will learn about how dogs can improve the quality of life for people with physical sensory and mental disabilities Using participant and expert insights this book explores the benefits of dogs including how they can increase independence improve emotional wellbeing and enhance social connections Whether you are a person with a disability a caregiver a healthcare professional or simply interested in learning more about the remarkable ways in which dogs can support people with disabilities this book offers a compelling and informative read **Yesterday'S Reflections** Albert F. Schmid,2013-02-22 In Yesterdays Reflections author Albert F Schmid invites us to consider the various holidays that are celebrated throughout the year He provides interesting facts about each holiday and includes the religious origins of them where relevant because many of our holidays have a religious connection He also explains important points about the

holidays such as why Easter is always on a Sunday and why Thanksgiving is always on the fourth Thursday in November In addition he includes devotionals on topics ranging from Contentment to God Is Where Love Is Each devotional includes the pertinent Scriptures a story to illustrate the point being made and Schmid's comments For example The Rear View Mirror tells the story of Grace who remembers her father's advice for driving in the snow find a snow plow and follow it When she encounters a blizzard she does this an hour later the driver stops to make certain she is all right as he had plowed a large parking lot was moving on to the next business and was concerned when he noticed that she was following him We often become comfortable thinking that we can just follow the snow plow when in truth we need to learn to trust God and let Him lead the way Yesterdays Reflections is an inspiring collection that reminds us that we are Christ's ambassadors and that God expects each of us to live and act as though He is making His appeal through us The best sermons are not preached they are lived

The Ghost in Love Jonathan Carroll,2008-09-30 I envy anyone who has yet to enjoy the sexy eerie and addictive novels of Jonathan Carroll They are delicious treats with devilish tricks inside them Michael Dirda The Washington Post Neil Gaiman has written Jonathan Carroll has the magic He'll lend you his eyes and you'll never see the world in quite the same way ever again Welcome to the luminous and marvelously inventive world of *The Ghost in Love* A man falls in the snow hits his head on a curb and dies But something strange occurs the man doesn't die and the ghost that's been sent to take his soul to the afterlife is flabbergasted Going immediately to its boss the ghost asks what should I do now The boss says we don't know how this happened but we're working on it We want you to stay with this man to help us figure out what's going on The ghost agrees unhappily it is a ghost not a nursemaid But a funny thing happens the ghost falls madly in love with the man's girlfriend and things naturally get complicated Soon afterward the man discovers he did not die when he was supposed to because for the first time in their history human beings have decided to take their fates back from the gods It's a wonderful change but one that comes at a price *The Ghost in Love* is about what happens to us when we discover that we have become the masters of our own fate No excuses no outside forces or gods to blame the

responsibility is all our own It s also about love ghosts that happen to be gourmet cooks talking dogs and picnicking in the rain with yourself at twenty different ages Stephen King has said that Jonathan Carroll is as scary as Hitchcock when he isn t being as funny as Jim Carrey Jonathan Lethem sees Carroll as the master of sunlit surrealism However one regards this beguiling original two facts are indisputable It s tough being a ghost on an empty stomach And *The Ghost in Love* is a triumphant return Congressional Record United States.
