**Spanish Idioms in Practice** Javier Muñoz-Basols, Yolanda Pérez Sinusía, Marianne David, 2013-09-11 Idiomatic expressions are the salt and pepper of any language. Key features: Includes a selection of the most widely used idioms from Spain and Latin America. Idioms are classified into specific and easy-to-reference categories. Creative activities, exercises, mnemonic devices, and learning strategies facilitate the acquisition and mastery of idiomatic language. Connections between the Spanish language and Hispanic culture are explained and illustrated. Reference tables at the end of each section highlight similarities between English and Spanish usage of idiomatic language. Original samples as well as fragments from various Spanish-speaking countries and well-known literary works are included to help expose students to the use of idioms in journalistic and literary writing. Practical, informative, and highly entertaining, this is the ideal text for all intermediate and advanced learners of Spanish.
