Sales Force Management 10th Edition Marshall:

Sales Force Management Mark W. Johnston, Greg W. Marshall, 2013-05-02 In this latest edition of Sales Force Management Mark Johnston and Greg Marshall continue to build on the tradition of excellence established by Churchill Ford and Walker solidifying the book's position globally as the leading textbook in the field. It's a contemporary classic fully updated for modern sales management practice. Including the Churchill Ford and Walker approach, the new edition also features a strong focus on leadership, technology, innovation, ethics, and global business. New material integrated throughout the book on multifaceted sales communication approaches, leadership, and the relationship between the marketing and sales functions. Continued partnership with HR Chally, a global sales consultancy that supplies cutting-edge data for each chapter, allowing students to benefit from understanding and working with real-world applications of current sales force challenges. Enhanced learning features such as short and long cases to stimulate discussion, leadership challenges to assess students' ability to make decisions, role plays to allow students to learn by doing, and more. Further resources for instructors and students are available at www.routledge.com/cw/johnston 9780415534628

Sales Force Management Mark Johnston, Greg Marshall, 2010-02-26 Sales Force Management 10e remains the most definitive text in the field today. Mark Johnston and Greg Marshall team up to maintain the quality and integrity of earlier editions while also breaking new ground with relevant new content for the changing field. The familiar framework of this text, from which instructors love to teach, remains the same while relevant real-world student learning tools and up-to-date sales management theory and application have been added. The framework has been developed to portray sales managers' activities as three interrelated sequential processes, each of which influences the various determinants of salesperson performance. The three interrelated parts of the framework—formulation of a sales program, implementation of the sales program, and evaluation and control of the sales program—remain consistent and highly relevant in the 10th edition. This edition integrates new innovative learning tools and the latest in sales management theory and practice.

Sales Management for Improved Organizational Competitiveness and Performance Santos, José Duarte, 2022-05-27 With the recent digital developments within marketing, the alignment between sales and marketing has become increasingly important as it has the potential to improve sales, customer relations, and customer satisfaction.
