15 YEAR LIMITED WARRANTY (Australia & New Zealand)
We or our agents, Hordells Pty Ltd (A/NZ) 211 100 980 1111 and our contact details are set out at the end of this warranty.

This means the purchaser or the original end-user of the Goods. You may have a distributor or professional user.

Distributor means the authorized distributor or retailer of the Goods that satisfies the Goods in Australia and New Zealand; and

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia and New Zealand.

For Australia:

Our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled, subject to the provisions of the Australian Consumer Law to a replacement or refund for major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled, subject to the provisions of the Australian Consumer Law, to have the Goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This is not a complete statement of your legal rights as a consumer.

For New Zealand:

Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to other conditions and guarantees implied by that legislation.

The Warranty

Hordells sells its products with the intent that they are free of defect in manufacture and workmanship under normal use and service. In the unlikely event that your Hordells product proves to be faulty within 15 years from the date of purchase (or longer, depending on materials only, we will replace it at our own expense, subject to the terms and conditions of this guarantee. The warranty period is limited to 12 months from the date of purchase for professional commercial use.

Terms and Conditions:

In addition to the rights and remedies that you have under the Australian Consumer Law Consumer Guarantees Act or New Zealand or any other applicable Law and without excluding such rights and remedies, we hereby warrant:

1. The Goods are designed to withstand the rigors of normal household use and are manufactured to the highest standards using the highest quality components. Whilst unlikely to do so during the first 15 years (12 months commercial use) from the date of purchase (or the Supplier Warranty Period), the Goods prove defective by reason of improper workmanship or materials, and none of your statutory rights or remedies apply, we will replace the Goods, subject to the terms and conditions of this warranty.
2. We do not have to replace the Goods under this Additional Warranty if the Goods have been damaged due to misuse or abuse or accident, the attachment of any unauthorised accessory, attachment to the product, improper installation,

Copyright Office, 1952 **Medical Speech-Language Pathology** Lee Ann C. Golper, Bernice K. Klaben, Claire Kane Miller, 2018-08-10 *Medical Speech Language Pathology A Desk Reference Fourth Edition* is an easily accessible quick reference providing brief definitions, descriptions, and explanations into the vernacular that is integral to those who work in a health care setting. The purpose of this text is to advance the competencies and confidence of speech language pathology (SLP) clinicians working in medically related settings by familiarizing them with the language principles, practices, and procedures they will encounter. New to This Edition: Contributions and editing by coauthors Bernice K. Klaben, PhD and Claire Kane Miller, PhD. Each of these authors brings a master clinician level of knowledge and experience as medical speech language pathologists. New terminology, abbreviations, and medical tests and procedures. Expanded in this fourth edition is the vastly changed role of the SLP in the neonatal intensive care unit and inpatient services in children's hospitals. Information related specifically to newborns and young children has been added to nearly every chapter. Material has been added related to medical genetics. Chapter 6: The discussion of oncology. Chapter 12 has been expanded to include the current tumor classifications and therapies. The SLP's role with geriatric medicine has expanded in recent decades, thus a chapter on rehabilitation medicine and geriatrics. Chapter 14 has been given greater attention as clinicians are increasingly participating in palliative care teams. Key Features: Concise, comprehensive, contextual, and well-organized definitions about medical terminology, principles, and practices. Information related to working with children and newborns infused throughout the text. Explanations about how speech language pathology expertise is integrated into health care services across the gamut of medical disciplines. Knowledge about health care and health services delivery to advance career development. In medical settings, the SLP's treatment decisions are directly related to health and safety as well as communication, thus clinicians who work in medical speech language pathology must have a basic understanding of the conditions that have brought patients to the hospital or clinic and what is being done to manage them. This text is intended to provide that basic understanding as a desk reference for practicing clinicians in health care related facilities such as hospitals, rehabilitation programs, private practice, outpatient clinics, nursing homes, and home health agencies. It is also intended as a handy reference for clinicians who work in school and preschool settings providing services to children with medically related communication and swallowing disorders within their caseloads to better understand the medical histories, conditions, and the medical management of these children. **Handbook of Computer Models for Traffic Operations Analysis - Technical Appendix: Summary of Models and References** A.
