About PerformTek

PerformTek sensor technology continuously measures more real-time biometric and physiological data than any other fitness monitor with a high degree of accuracy and consistency, and uses that data to give people meaningful health and fitness assessments. It seamlessly integrates into audio earbuds and other wearable devices, such as armbands and wristbands, and connects with smartphone apps people are already using while exercising. PerformTek Precision Biometrics is a licensable sensor technology that allows you to capture accurate data such as heart rate, distance, speed, cadence, calories burned and VO2 max (aerobic fitness level).

PerformTek and the PerformTek design are registered trademarks of Valencell, Inc. and may not be used for any purpose without the express prior written consent of Valencell, Inc.
