for growth for affirmation that we exist for something These 19 stories reach deep into humanity's compulsion for the rush of new experiences But gently because it's not only records we might shatter When does adventure turn to recklessness What happens when we toe the edge above the void and face the big silence where we might see God and die without warning The Icarus Syndrome seeks to capture our push for more and hold it to the light lofty and free for as long as we dare tempt the downward slip Both are possible only one is assured **El breve verano de Nefertiti** Hiber Conteris,1996

Supermodels Discovered Caroline Leaper,2025-01-02 The question that every supermodel gets asked repeatedly is how were you discovered Fans love to hear how where and why their icons were plucked from reality and thrown into the hyper glamorous world of high fashion Many of the most famous women in the industry have fairytale like origin stories Several faced challenging upbringings coming from obscurity or poverty before being scouted by chance in a supermarket or airport Some became celebrities overnight others fought their way up from a very young age Hundreds of good models are discovered annually but very few manage to capture public attention and keep it Many of the supermodels who will feature in this book upturned industry norms and beauty ideals and faced tremendous rejection before finding success **Nefertiti's Secret** Stanley Jacobs M.D.,2018-11-24 More than 3 600 years ago in ancient Egypt a formula for an elixir that claimed to remove wrinkles was written on a papyrus At the turn of the century Stanley Jacobs M D a facial plastic surgeon from California happened upon the formula by chance Overlooked by medical science for thousands of years Jacobs was immediately intrigued Ancient Egyptians were master chemists Jacobs intention to recreate the formula took him on an eight year odyssey to decipher the meaning of the key ingredient hemayet This book chronicles his journey to create a serum Jacobs resurrection of the Egyptian formula revealed a new molecule in skin rejuvenation which is scientifically proven to improve the plumpness and elasticity of skin by 30 percent Is it possible Queen Nefertiti once used this ancient unguent It's a strong possibility Nefertiti means beauty has come and each time someone uses the serum the past and present intersect

R&J's Bowery Tale Andreas Braddan,2014-08-05 The Velvet Machine is a unique blend of thought provoking essays humorous anecdotes and real life adventures as told by two of today's most bold and candid authors In Part One D J Blue The Good Life Chronicles features sociological food for thought in his Velvet Communique series He tackles a variety of issues including the root of all sociological evil a hypothetical explanation of the sleep mechanism from a mathematical perspective the meaning of dreams as well as opinions on education marriage baseball and glazed doughnut selection In Part Two newcomer S K Black paints a colorful honest and sometimes amusing portrait of Midwestern culture He also pushes the boundaries of decency with some eyebrow raising poetry But the cornerstone of Black's piece is his droll yet insightful narrative of a trip through America's heartland where everything from Kansas cowgirls to Texas State Troopers is experienced and discussed The Velvet Machine is a cerebral boldly provocative and sometimes amusing book which will make an impression on the reader and will not soon be forgotten **The Brutal Language of Love** Alicia Erian,2008-07-15

Alicia Erian's characters are brave, disarming, affectionate and deeply flawed. They inhabit the not so very wide space between a good intention and a bad outcome. In *Alcatraz* we meet a middle school spelling champion who spends her afternoons taking baths with the boy next door. In *Almonds and Cherries* a young woman turns an unexpectedly arousing bra shopping experience into a short film with ramifications for everyone around her. In *On the Occasion of My Ruination* a college bound student plots to lose her virginity to a pizza parlor waiter. *The Brutal Language of Love* challenges traditional notions of right and wrong with what has become Erian's signature: an achingly stylish humor and a deep understanding of the brutal truth about human nature. These surprising, provocative and deeply resonant stories marked the emergence of a major talent.

Stories from the Dirt John Long, 2017-09-01 Riding tubes in Venezuela. BASE jumping in Europe. Climbing big walls in Yosemite. Riding bulls in Texas. These first person stories from acclaimed climber and adventurer John Long may be vastly different in content but they share an identifiable emotional texture, tone and delivery and fundamentally are of one piece. This is storytelling at its best, nonfiction that reads like fiction. In *Stories from the Dirt*, the action leaves you breathless but it's the characters that really leave a lasting mark. Like all stories worth a damn, this collection is all about the people. *Eyeliners* Zahra Hankir, 2023-11-14

Moving through millennia and across civilizations, Hankir gives the makeup its eye-opening due. The New York Times Book Review: An impressive, rigorously researched winding path through centuries and over continents. NPR.org: I loved *Eyeliners*. Kassia St. Clair, author of *The Secret Lives of Color*. From the acclaimed editor of *Our Women on the Ground* comes a dazzling exploration of the intersections of beauty and power around the globe, told through the lens of an iconic cosmetic. From the distant past to the present with fingers and felt-tipped pens.

A Letter to the President Chirasha, Mbizo, 2019-08-01 His eagle eyes scan beyond the boundaries of his native Zimbabwe to right the crookedness of men with dubious ideals and reckless twists in lands abroad Caressing his Lenovo mistress upon a night he relives in recorded poesy memories of victims of corruption and the false memoirs of looters of the land A Letter to the President is a collection of his experimental poetry Here is the man on a mission and with a mission Words are slings and rocks on his quiver Tireless and resilient no ugliness is too ugly to stay below his radar His weapon of choice is his pen Dipped in acid as he says no thug escapes the roast of his laser beam that put them on the spot light

Hunger's Brides W. Paul Anderson, 2011-07-27 An epic novel of genius and obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures Hunger's Brides brings to vivid life the greatest Spanish poet of her time Sor Juana In's de la Cruz and plumbs a mystery that has intrigued writers as diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts silence herself At the time of her death in 1695 Juana In's de la Cruz was arguably the greatest writer working in any European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort's and his troops descended on their advance to Montezuma's capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and

the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice Hunger s Brides is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana Hunger s Brides is a dramatic unveiling of three intimate journeys a man s forced march to self knowledge a great poet s withdrawal from the world and a profane mystic s pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanquished Excerpt from Hunger s Brides From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she took a vow of silence
