Technical Abstract Bulletin , Finding Your Leadership Focus Douglas B. Reeves,2015-04-18 In his new book author and international keynoter Douglas Reeves addresses a major challenge faced by today s school leaders an ever growing load of programs and initiatives Reeves contends that program overload not only taxes leadership resources but actually hurts rather than improves student performance Drawing on recent research findings this book shows how leaders can pare down from a proliferation of initiatives to determine what is truly most important based on their local concerns challenges populations and other school factors Identifying a specific set of leadership practices that are more strongly associated with improvements in student achievement Reeves provides explicit guidelines for how school leaders can improve their most critical leadership decisions by simultaneously engaging in three essential strategies monitoring teaching and leadership practices building high degrees of efficacy among staff members and focusing on a smaller number of priorities Finding Your Leadership Focusis essential reading for new and veteran principals teacher leaders and PLC book study groups Book Features Practical guidance to help school leaders at every level to focus on what is most important and to assess their progress Analysis correlating three years of student achievement data and specific school leadership practices Online video conference support by Douglas Reeves for book study groups and graduate classes who use this book Online downloads Douglas B Reevesis the founder of The Leadership and Learning Center Englewood Colorado He was named the Brock International Laureate for his contributions to education and received the Distinguished Service Award from the National Association of Secondary School Principals Finding Your Leadership Focuscould not have arrived at a more timely moment in the history of reform Doug Reeves conclusions and agenda for action are exactly what is needed From the Foreword byMichael Fullan professor emeritus University of Toronto If schools and districts model their improvement efforts

on Doug Reeves sage advice voluminous strategic plans will be scrapped trees will be saved educators will avoid the Law of Initiative Fatigue and most importantly students will learn at higher levels Richard DuFour educational author and consultant This book is a masterful combination of research and practice and Doug Reeves is one of the few people in the country who could have written it He has added much needed clarity to the process of leading in a way that directly results in enhanced student achievement Robert J Marzano CEO Marzano Research Laboratory Aging and chronic disease: Public health challenge and education reform Xiaodong Sun,Xuan Li,Qinghua Li,2023-10-27 A Study Guide to the ISTQB® Foundation Level 2018 Syllabus Adam Roman,2018-11-02 This book is an excellent helpful and up to date resource for all candidates preparing for the ISTQB Foundation Level certification exam based on the new Foundation Level 2018 Syllabus Although there are plenty of sample questions and information related to the Foundation Level exam on the web there are two problems with these Firstly most of them will soon be outdated as the old syllabus and exams are going to be retracted in June 2019 Secondly much of what is available is of poor quality since many of the sample questions do not follow the strict ISTQB examination rules This book stands out from other ISTQB related works through a number of special features Topicality The material complies with the latest version of the Foundation Level syllabus published in 2018 Quality and originality The exam questions are original not redundant of high quality fully aligned with the ISTQB exam requirements and have not been published before Huge amount of material It includes 5 full sample exams 200 questions in total designed in accordance with the ISTQB exam rules and with the appropriate distribution of questions regarding the learning objectives and K levels Well thought out sample questions The questions not only appropriately cover the corresponding learning objectives LOs but also to show the typical pitfalls Diversity The questions from various sample exams related to the same LO are diversified that is each of them points out different aspects of a given LO This is an excellent method for better and more effective learning and preparing for the exam Comprehensive intelligible explanations All answers are justified and there are detailed and easy to understand explanations not only of why a given answer is correct but also why all the others are wrong A lot of bonus material The book includes a great bonus pack chapters that explain the white box and black box test techniques in a detailed way a set of exercises on test techniques and the detailed solutions to them and much more
