Tales from the Symphony Robert Lee Watt, 2024-05-15 This book contains conversations with nineteen African American classical musicians currently performing or who have previously performed in America's major symphony orchestras Each chapter focuses on the story of one musician and sheds light on the realities of African American musicians playing in a musical environment that absolutely forbade their membership over half a century ago These conversations explore the deeply ingrained prejudices that some hold against African American people in symphony orchestras conservatories and other musical institutions By amplifying these voices the book provides a variety of perspectives on the almost cloistered world of these beloved institutions The stories and lessons shared in this book will be invaluable to music students teachers and orchestral professionals
