2 You expect to get pregnant in the next five minutes 3 You've heard it all **Pope Joan** , The Legend of Pope Joan ,1983 *A Women's History of the Christian Church* Elizabeth Gillan Muir,2019-05-06 Tracing two thousand years of female leadership influence and participation Elizabeth Gillan Muir examines the various positions women have filled in the church From the earliest female apostle and the little known stories of the two Marys the Virgin Mary and Mary Magdalene to the enlightened duties espoused by the nun the abbess and the anchorite and the persecutions of female witches Muir uncovers the rich and often tumultuous relationship between women and Christianity Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America *A Women's History of the Christian Church* presents a chronological account of how women developed new sects and new churches such as the Quakers and Christian Science The book includes a timeline of women in Christian history over 25 black and white illustrations a glossary and a list of primary and secondary sources to complement the content in each chapter *The Female Pope* Oliver Hayes,2017-01-14 For many centuries it was accepted almost without discussion that the priesthood and pastoral work more generally was exclusively a male domain Women had a role within the Christian Church as nuns or lay workers but the giving of the sacraments was seen as a male preserve And yet for centuries rumours and legends have swirled about that one woman did get to be pope in Rome The Catholic Church has always denied the stories but they refuse to go away It is now time to look anew at these old stories and try to discover the truth that lies behind them In this book Oliver Hayes looks at the legends of a Female Pope and uncovers the startline truth that lies behind them ContentsForewordChapter 1 The Legend of the Female PopeChapter 2 The Legend under ScrutinyChapter 3 The Real Female Pope Marriage. A Novel Susan Ferrier,2025-07-09 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Misconceptions About the Middle Ages** Stephen Harris,Bryon L. Grigsby,2010-05-26 Brought together by an impressive international array of contributors this book presents a representative study of some of the many misinterpretations that have evolved concerning the medieval period *The Middle Ages* Winston Black,2019-07-01 This book guides readers through 10 pervasive fictions about medieval history provides them with the sources and analytical tools to critique those fictions and identifies what really happened in the Middle Ages This book is the first to present fictions about the medieval world to serious students of history Instead of merely listing myths and stating they are wrong this volume promotes critical historical analysis of those myths and how they came to be Each of the ten chapters outlines a pervasive modern myth about medieval European history describing What People Think Happened and What Really Happened and illustrating both trends with primary source documents The book demonstrates that historical fictions also have a history and that while we need to replace those fictions with facts about the medieval past we can also benefit from understanding how a fiction about the Middle Ages developed and what that says about our modern perspectives on the past

Through this innovative presentation readers are introduced to a wide range of sources from Roman imperial perspectives on the Fall of Rome to songs of chivalry and chronicles of the Crusades scientific treatises on the shape of the Earth and the creation of the universe and early modern stories and textbooks that developed or perpetuated historical myths
