The ^ABranding of Right-Wing Activism Khadijah Costley White, 2018-08-02 From the start of Barack Obama's presidency in 2009 conservative populist groups began fomenting political fractiousness dissent and surprising electoral success The Tea Party was one of the major characters driving this story changing the tone tenor and shape of the political landscape one that this book sees as a product of media branding Beyond the creation of the Tea Party this project also investigates what the mass mediated construction of the Tea Party tells us about the current media and cultural moment specifically the role of journalism in a Web 2.0 age and contemporary American notions of democracy citizenship and belonging

Thin Description John L. Jackson Jr., 2013-11-04 African Hebrew Israelites of Jerusalem are often dismissed as a fringe cult but John L. Jackson questions what fringe means when cultural practices of every stripe circulate freely on the Internet He reveals how race religion and ethnographic representation must be understood anew in the 21st century lest we reenact past errors

In Someone Else's Country Trenita Brookshire Childers, 2020-08-12 In this groundbreaking work Trenita Childers explores the enduring system of racial profiling in the Dominican Republic where Dominicans of Haitian descent are denied full citizenship in the only country they have ever known As birthright citizens they now wonder why they are treated like they are in someone else's country Childers describes how nations like the Dominican Republic create stateless second class citizens through targeted documentation policies She also carefully discusses the critical gaps between policy and practice while excavating the complex connections between racism and labor systems Her vivid ethnography profiles dozens of Haitian immigrants and Dominicans of Haitian descent and connects their compelling individual experiences with broader global and contemporary discussions about race immigration citizenship and statelessness while highlighting examples of collective resistance

can move forward with hope for our future together St Francis and Cultural Memory David Salter, 2025-05-11 St Francis and Cultural Memory explores central aspects of English national spiritual and broader cultural identity through a detailed yet accessible analysis of a familiar figure the Franciscan Friar Covering more than four hundred years from the late fourteenth to the late eighteenth centuries and taking in a wide variety of different literary and artistic forms the book charts the changing face of the Franciscan friar in the English literary imagination and examines how developments within this evolving tradition were both shaped by and have helped to shape wider debates within English culture about the relationship between religious and national identity and the past and the present Central to this analysis is the notion of cultural memory At the time of its suppression in the 1530s the Franciscan Order was too deeply assimilated into the social fabric of England either to be forgotten or to be credibly labelled an entirely alien presence despite the best efforts of Protestant polemicists to do so Rather the effect of the Reformation was to suppress but not completely to erase memories of English Franciscans The Catholic history that English Protestantism sought to deny was prone to return in unexpected and often distorted and disturbing forms so that in the centuries following the Reformation Franciscans came to haunt the imagination of English writers and artists Appearing in a wide variety of literary and artistic guises these ghostly Franciscans functioned as spectres of a national past which English Protestantism tried to disavow but which it was unable entirely to destroy Franciscan friars appear in the work of some of the most popular and influential writers and artists from the fourteenth to the eighteenth centuries reflecting the centrality of the Order to ongoing debates within English culture about religion and national identity The book discusses in detail the work of Geoffrey Chaucer Thomas Malory Thomas More William Shakespeare William Hogarth Edward Gibbon Ann Radcliffe and Matthew Lewis It explores the individual responses of these writers and artists to the Franciscans and their legacy and also highlights the ways in which this shared interest in the Order reveals hitherto unacknowledged connections between their work **The Telephone Call** Michael Pakenham, 2020-01-28 When Rosemary Sherwood overhears a disturbing conversation between her husband Harry Sherwood and an unknown caller she has no idea that her life is about to change forever **The Independent** William Livingston, 1922 **Too Much Lip** Melissa Lucashenko, 2018-07-25 A dark and funny new novel from the multi award winning author of Mullumbimby Too much lip her old problem from way back And the older she got the harder it seemed to get to swallow her opinions The avalanche of bullshit in the world would drown her if she let it the least she could do was raise her voice in anger Wise cracking Kerry Salter has spent a lifetime avoiding two things her hometown and prison But now her Pop is dying and she is an inch away from the lockup so she heads south on a stolen Harley Kerry plans to spend twenty four hours tops over the border She quickly discovers though that Bundjalung country has a funny way of grabbing on to people Old family wounds open as the Salters fight to stop the development of their beloved river And the unexpected arrival on the scene of a good looking dugai fella intent on loving her up only adds more trouble but then trouble is Kerry's middle name Gritty and darkly hilarious Too
