Reading Rhetorically John C. Bean, Virginia A. Chappell, Alice M. Gillam, 2011 Offering concise yet thorough treatment of academic reading and writing *Reading Rhetorically* 3rd ed shows the reader how to analyze texts by recognizing rhetorical strategies and genre conventions and how to incorporate other writers texts into their own research based papers

Reconnecting Reading and Writing Alice S. Horning, Elizabeth W. Kraemer, 2013-09-06 *Reconnecting Reading and Writing* explores the ways in which reading can and should have a strong role in the teaching of writing in college *Reconnecting Reading and Writing* draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction *The Viability of the Rhetorical Tradition* Richard Graff, Arthur E. Walzer, Janet M. Atwill, 2012-02-01 *The Viability of the Rhetorical Tradition* reconsiders the relationship between rhetorical theory practice and pedagogy Continuing the line of questioning begun in the 1980s contributors examine the duality of a rhetorical canon in determining if past practice can make us more or less able to address contemporary concerns Also examined is the role of tradition as a limiting or inspiring force rhetoric as a discipline rhetoric s contribution to interest in civic education and citizenship and the possibilities digital media offer to scholars of rhetoric **Teaching Literature Rhetorically** Jennifer Fletcher, 2023-10-10 English language arts teachers often find themselves defending their discipline and the practical values it has When will I read this again is an all too common question heard in classrooms Author Jennifer Fletcher faced the same questions and more In *Teaching Literature Rhetorically* Transferable Literacy Skills for 21st Century Students she shows you how to help your students develop transferable literacy skills that allow them to succeed not just in their English language arts classes but in their future lives and careers The book is built around eight high utility literacy skills and practices that will help students communicate effectively and with confidence as they navigate important transitions in their lives Integrating skills and knowledge from texts Reading closely and critically Assessing rhetorical situations Negotiating different perspectives Developing and supporting a line of reasoning Analyzing genres Communicating with self and others in mind Reading and writing with passion *Teaching Literature Rhetorically* offers readers writing prompts readings discussion questions graphic organizers as well as examples of student work and activities for helping students to understand key rhetorical concepts As Fletcher writes in her introduction rhetorical thinking promotes the transfer of learning the single most important goal we can have as teachers if we hope to have a positive impact on our students lives This book will help teachers everywhere do just that *Teaching Arguments* Jennifer Fletcher, 2023-10-10 No matter where students lives lead after graduation one of the most essential tools we can teach them is how to comprehend analyze and respond to arguments Students need to know how writers and speakers choices are shaped by elements of the rhetorical situation including audience occasion and purpose In *Teaching Arguments*

Rhetorical Comprehension Critique and Response Jennifer Fletcher provides teachers with engaging classroom activities writing prompts graphic organizers and student samples to help students at all levels read write listen speak and think rhetorically Fletcher believes that with appropriate scaffolding and encouragement all students can learn a rhetorical approach to argument and gain access to rigorous academic content Teaching Arguments opens the door and helps them pay closer attention to the acts of meaning around them to notice persuasive strategies that might not be apparent at first glance When we analyze and develop arguments we have to consider more than just the printed words on the page We have to evaluate multiple perspectives the tension between belief and doubt the interplay of reason character and emotion the dynamics of occasion audience and purpose and how our own identities shape what we read and write Rhetoric teaches us how to do these things Teaching Arguments will help students learn to move beyond a superficial response to texts so they can analyze and craft sophisticated persuasive arguments a major cornerstone for being not just college and career ready but ready for the challenges of the world

Reading Rhetorical Texts James Robertson Andrews, Michael C. Leff, Robert Terrill, 1997 This book is designed to orient the beginning student to the nature and function of rhetorical criticism to acquaint the student with those elements in the rhetorical situation that warrant serious attention and to teach the student a useful strategy with which to begin to practice criticism The focus of this book is clearly on public speeches Along with mastering basic concepts the beginning critic will also be given the opportunity to begin grappling with fundamental and enduring critical issues The authors have included in this book texts and examples of how critics have studied those texts They also offer two historical texts along with their own critical readings of those texts The book then presents two texts and illustrations of the various critical responses to these texts The first text is Richard Nixon's Address on the Vietnam War and the second is Jesse Jackson's Common Ground and Common Sense Finally several examples of critical readings by rhetorical scholars illustrate different ways to approach texts Pref

Doing News Framing Analysis Paul D'Angelo, Jim A. Kuypers, 2010-02-26 *Doing News Framing Analysis* provides an interpretive guide to news frames what they are how they can be observed in news texts and how framing effects are uncovered and substantiated in cultural group and individual sites Chapters feature framing analysts reflecting on their own empirical work in research classroom and public settings to address specific aspects of framing analysis Taken together the collection covers the full range of ways in which framing has been theorized and applied across topics sources mechanisms and effects This volume fosters understanding among the scholarly camps of framing scholars and encourages greater clarity from framing analysts in all aspects of their empirical inquiry Chapters offer fresh perspectives from which researchers can begin new research programs puzzle through perplexing problems in a current research program or expand an existing program Providing conceptual and methodological guidance *Doing News Framing Analysis* will help framing researchers at all levels to better understand news framing and to improve their future news framing research

Sourcebook on Rhetoric James Jasinski, 2001-07-19 This book is designed

to introduce readers to the language of contemporary rhetorical studies The book format is an alphabetized glossary with appropriate cross listings of key terms and concepts in contemporary rhetorical studies An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages Where appropriate examples are provided to further illustrate the term or concept Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest

On Monosemy Charles Ruhl, 1989-07-17 In this book the author argues that words should be presumed initially to be monosemic having a single highly abstract meaning Semantic research should first seek a unitary meaning resorting to polysemy homonymy or idiomaticity only when an extended attempt fails Utilizing a large data base this book shows that some supposed lexical semantic meaning is actually pragmatic or extralinguistic Included are extensive treatments of the verbs bear hit kick and slap the phrase take off and the noun ice Ruhl studies linguistic research methods and theory most directly relevant to the fields of semantics and pragmatics and also to lexicography cognitive science and artificial intelligence The hypothesis of monosemy implies significant changes of perspective and application for all fields which deal in lexical definition

Sourcebook on Rhetoric , **Non-discursive Rhetoric** Joddy Murray, 2009-01-14 Technological advances have the potential to create new languages unlike printed or spoken words The increased textual complexity generated by sophisticated graphics photos hypermedia film typography and other modes of expression requires a

theory of language and symbolization that accommodates emotion ambiguity simultaneity and layers of dynamic meaning In *Non discursive Rhetoric* Joddy Murray uses concepts from philosophy rhetorical theory and recent advances in neuroscience to develop a model of composing that connects contemporary writing practices technology and image functions within the mind The theory and classroom practices presented here provide tools for writing teachers to help students compose various hybridized multimodal texts Murray highlights the significance for student composition of the relationships among emotions images and argumentation and demonstrates the importance of considering the rhetorical dimensions of design choices in multimodal composition

Jean Baudrillard Brian Gogan,2017-10-18 Jean Baudrillard has been studied as sociologist philosopher cultural theorist political commentator and photographer Brian Gogan establishes him as a rhetorician demonstrating how the histories traditions and practices of rhetoric prove central to his use of language In addition to Baudrillard s standard works Gogan examines many of the scholar s lesser known writings that have never been analyzed by rhetoricians and this more comprehensive approach presents fresh perspectives on Baudrillard s work as a whole Gogan examines both the theorist and his rhetoric combining these two lines of inquiry in ways that allow for provocative insights Part one of the book explains Baudrillard s theory as compatible with the histories and traditions of rhetoric outlining his novel understanding of rhetorical invention as involving thought discourse and perception Part two evaluates Baudrillard s work in terms of a perception of him as an aphorist an illusionist an ignoramus and an ironist A biographical sketch and a critical review of the literature on Baudrillard and rhetoric round out the study This book makes the French theorist s complex concepts understandable and relates them to the work of important thinkers providing a thorough and accessible introduction to Baudrillard s ideas

Redescribing Bioethics Tod S. Chambers,2024-11-19 It has traditionally been accepted that one cannot derive how the world ought to be from the way the world is The discipline of bioethics endeavors to respond to ethical issues as they arise in the world For these issues to be analyzed they must first be described *Redescribing Bioethics How the Field Constructs Its Argument* argues the descriptions bioethicists provide of the moral problems anticipate the proposed solution to these problems To understand the rhetorical power of bioethics arguments we need to reverse the structure of the argument seeing the anticipated solution as driving the presentation of the problem Arguing the story of bioethics is as much one of powerful redescriptions as of proposed solutions Tod S Chambers examines seven rhetorical strategies in how bioethics texts have steered readers toward a particular moral vision of the world retrodiction anagnorisis imbalance dissociation metaphor sources and hypertextuality Through these techniques bioethicists construct a world in which their particular moral theory thrives and alternative theories will struggle

Theodore Roosevelt, Conservation, and the 1908 Governors' Conference Leroy G. Dorsey,2016-04-15 Among Theodore Roosevelt s many initiatives one of the most important accomplishments was his effort to convince the nation that conserving the environment was crucial to its continued existence Years of national tours presidential edicts and policy wrangling culminated in an

unprecedented conference of governors at the White House in 1908 Leroy G Dorsey explores the rhetorical power of Roosevelt s address at this historic conservation summit specifically examining how the president popularized the notion of conservation in the public consciousness Much has been written on Roosevelt s conservation policy but surprisingly little attention has been given to this pivotal moment in the rhetorical rally on its behalf This book fills an important void in the history of conservation for all who seek a deeper understanding of a president so identified as a champion of the environment
