Transurfing: steps 1-5 Вадим Зеланд,2019-11-18 Transurfing is a powerful technology of managing reality Apply it and life will begin to change under YOUR order The goal during using Transurfing doesn t reached but implemented for the most part itself It s impossible to believe but only at first sight The ideas presented in the book have already found practical confirmation Those who tried to do the Transurfing was surprised bordering on delight The surrounding world of Transurfer is inexplicably changing before our eyes **Retracing Tradition for a Sustainable Future: The Malaysian Experience**

(Penerbit USM) Nurul Farhana Low Abdullah,Mohamad Rashidi Pakri,2012 This volume presents a selection of articles aimed at introducing the field of local knowledge to a local and international audience Based upon the theme Retracing Tradition for a Sustainable Future the articles detail local practices that reflect local wisdom in various domains of knowledge such as literature architecture water management tourism dance and drama This collection of articles embodies an important tangible initiative by Universiti Sains Malaysia Local Knowledge Secretariat to identify and retrace indigenous local knowledge besides documenting and conserving local wisdom for future generations It presents an important resource for researchers and students interested in exploring the under researched area of local knowledge and indigenous science in the Malaysian context **Transurfing in 78 Days. A Practical Course in Creating Your Own Reality** Вадим

Зеланд,2019-11-18 This book breaks down the Transurfing principles into 78 bight sized chunks Transurfing is a powerful tool for creating your own reality When you apply these basic principles you will gain the power to change your destiny Even if you are totally new to the principles of Transurfing you can complete the course on creating your own reality in just 78 days The knowledge you gain from the course will open your eyes to the illusory nature of the external world As you apply the principles to your everyday life you will come to understand that physical reality does not exist as a set phenomenon in and of itself At each moment in time from numerous possible decisions you will learn how to make the one that will help you achieve your goals most effectively and create a reality in alignment with the kinds of events that you decide do or do not have a place in your life Materialists focus on overcoming existing obstacles which they tend to create themselves idealists live in a dreamworld with their head in the clouds Neither type is capable of shaping their own reality With this practical course in Transurfing you have the chance to learn how to do just that **Reality Transurfing** Vadim Zeland,2008
