Reap The Wind A Cassie Palmer Novel:

Reap the Wind Karen Chance, 2015-11-03 From the New York Times bestselling author of *Tempt the Stars* comes the latest in the series that's well worth getting hooked on Fresh Fiction You'd think that being chief seer for the supernatural world would come with a few perks But as Cassie Palmer has learned being Pythia doesn't mean you don't have to do things the hard way That's why she finds herself on a rescue mission skipping through time even though she doesn't entirely understand her dimension bending new power Rescuing her friend John Pritkin should have been an in and out kind of deal but with the near immortal mage's soul lost in time Cassie has to hunt for it through the ages with Pritkin's demon dad in tow He's the only one who can reverse Pritkin's curse but with the guardians of the timeline dead set on stopping anyone from mucking about Cassie will have to figure out how to get her friend back without ruffling too many feathers or causing a world ending paradox or two

Reap the Wind Karen Chance, 2014 The newest book in Karen Chance's New York Times bestselling vampire series Being a time traveler is a bitch just ask Cassie Palmer As the Pythia or chief seer for the supernatural world she's got responsibilities and powers including the ability to travel through time she still doesn't fully understand Cassie is on what should have been a quick mission to rescue the near immortal mage John Pritkin a friend lost in time But nothing is ever simple where Cassie is concerned For one thing her friend isn't lost his soul is and she must hunt for it through the ages in different versions of himself For another Cassie is stuck traveling with Pritkin's father the only one who can reverse Pritkin's curse and an irascible demon who is high on Cassie's list of least favorite people And third the guardians of the time line don't want anyone mucking about with it even a Pythia like Cassie and especially not when she's dragging a powerful demon along What's a poor Pythia to do Well if that Pythia is Cassie Palmer it's to carry on anyway And in between flitting about through time to also stop the return of an ancient and very vengeful god And to find out the startling truth about her parents And to sort out a few things with her charming evasive and completely maddening vampire lover And you thought your week was packed
