A Holistic Reading of Chronicles with a Samoan Hermeneutic Samasoni Moleli Alama, 2025-09-22 This volume presents the most extensive and scientific study to date on the Jabez prayer in 1 Chron 4 9 10 re reading Jabez s story from the perspective of Chronicles as a whole in conversation with similar realities in Samoa The volume first examines the text of Chronicles as evidence of conflicts in the postexilic period as various people renegotiated their connections with the land after the Babylonian exile Then it explores how biblical material can be illuminated by a Samoan hermeneutic especially given the significance of the Bible in Samoan society With this book Samasoni Moleli Alama makes a significant contribution to Chronicles scholarship by investigating its major themes particularly those that appear in the Jabez narrative such as land tenure political sovereignty genres of prayer and the nuances of divine names This strikingly original work is a model of scholarly integration engaging with the best international scholarship while remaining firmly grounded in the Pacific context

The Samoan Journals of John Williams, 1830 and 1832 John Williams, 1984 John Williams was not the first London Missionary Society missionary to Polynesia but his passion to conquer the whole Pacific region and resolute belief that he knew better than the Directors in London how this vision might be achieved marked him out as an ambitious and aggressive man Samoa the setting of thses journals was the last island group where Williams personally introduced the gospel before he was murdered at Eromanga Of the several journals kept by Williams during his pan Polynesian travels the two relating to his visits to Samoa in 1830 and 1832 are the most comprehensive and illuminating In the course of both journeys Williams also visited Tonga and provided graphic eye witness accounts of contemporary Tongan and European life Book jacket **O le Feagaiga Fou a lo tatou Alii o Iesu Keriso** , 1849 Samoan translation of the New Testament *Catch the Bird but Watch the Wave* Fatilua Fatilua, 2024-02-28 This contextual biblical reading of Luke 18 18 30 the encounter between Jesus and the rich ruler foregrounds the political and economic context of the Pacific Island Countries and Territories PICTs The reading carefully explores the biblical text s context an exploration that includes looking at specific intertextual sources and engaging scholars from Asian and African contexts The reading is then applied to a contextual biblical approach to poverty in Samoan society The contextual biblical reading resituates the ruler in the Lukan narrative within the context of the household and the institutional constraints of its ecological environment The theoretical framework for the contextual biblical reading is guided by the Samoan proverb seu le manu ae taga i ile galu catch the bird and watch the wave symbolizing responsibility and restraint in biblical interpretation At the end of the contextual biblical reading a new way of reading Luke is presented and three broad propositions are suggested for further consideration The main argument of this deep contextual reading of the Lukan passage is that the rich ruler offers a different form of following which is possible by living responsibly with wealth
