Multiple Choice Practice: 80  
Composition Questions

The following passage is a partial student draft.

(7) The density of modern American  
townships is based on an industrial-era  
model of mass reproduction. Times  
changed. You must change. Public  
schools in the United States should  
switch to a four-day week.

It makes lunch seem to take out school schedule. The prospect of running to school and stopping a single day, every single elementary school, even single high and low school, open between food and the school, is a lot of school. Just not a lot of school.
