

# Business Plan for Automotive Repair

This Business Plan for an Automotive Repair business allows entrepreneurs or business owners to create a comprehensive and professional business plan. This template form allows a business to outline the company's objectives and detail both current company information as well as any past performance. Companies should include a complete market analysis in their plan to help showcase why their business strategy will be effective in the market. Future company plans, including production targets, management strategy, and financial forecasting, should be used to demonstrate and confirm that the company's short-term and long-term objective can and will be met. This model plan can be customized to best fit the unique needs of any entrepreneur or owner that is seeking to create a strong business plan.
